RICE WELCOMES SIR AUCKLAND GEDDES

RICE EASILY TAKES T. I. A. A. TRACK MEET

Lindsay Takes Four First Places—Goes Third High Point Man.

The Texas Intercollegiate Track Meet, which was held at Waco, was again dominated by Rice with a score of 81-4, the latter figure indicating the number of points the school scored. The nearest opponent was Texas Christian University with 44 points. The other teams in the meet were: University of Southern Mississippi, Rice University, University of Houston, University of Texas, and Harvard University.

"Preacher" Lindsay was the high point man of the meet. He captured four events, the 880-yard run, the 220-yard dash, the broad jump and the high jump. In the 880-yard run he came in third, probably due to his usual form, while in the 100-yard dash he carried first place in the 440-yard dash.

Rice; 2nd, Morse, Southwestern, and U.; 2nd, Brooks, S. M. U.; 3rd, Hair, the Southwest as a football official.

Las, a graduate of Columbia University, the T. I. A. A. record for the high jump, was 6 feet. Southwestern 5 5'.

The T. I. A. A. record for long jump was established by Nordy of Texas. He went 26 feet for his high point man, with 30 points below his credit. In the 120-yard dash he came in third, probable due to a poor start.

The referee and starter of the track events was W. E. Metzenthin of Dallas, a recognized official of the University. Formerly coach of the Texas University track team, Metzenthin is now a member of the faculty as a football official.

To the Right Honorable Sir Auckland Geddes, 

K. C. B., British Ambassador to the United States, 

The Superintendent of Rice Institute, 

Sir, 

When The Thresher announced May 11, 1921, that Sir and Lady Geddes would visit Rice, a number of the students at once thought of the possibility that Sir Auckland Geddes might preside at convocation. That possibility at once became a reality. Sir and Lady Geddes were received by the students of Rice Institute at convocation exercises on May 17, 1921. As Sir Geddes is a lawyer, and because of the legal background of the students of Rice, an important part of the exercises was given over to the students. It was a signal honor to the United States. A very famous address was given by Her Excellency, Mrs. Auckland Geddes. This was part of the exercises.

One of the features of high school development was exhibited—two women entering the Student Body. We are not protected, but we are happy, and so should you be.

May “The Thresher” not advance a word of criticism, but verily it is so.

We made a big purchase of these cool Two-Piece All Wool Suits; a big saving went with it—you get it. This workmanship is such that none of the parts are in any way noticeable. We find them excellently reasonable at $22.65.
