YOU WILL MEET A CORONA IN COLLEGE

STUDENT'S who hand in coronated themes, essays, laboratory and lecture notes invariably receive higher marks. In fact, you are badly handicapped in school or college without a CORONA. Students' themes MUST be typewritten, so why not have a machine that not only does it all through the year but stays in your home for your personal use. This is not an argument to force you to buy, but is an argument to show you how much you can save by buying. When you think about it, and when once you own it you have something that will pay for itself.

An easy project for women students. It is fairly to say a word about the two girls. Herman B. Brogan, the President of the Rice Holiness Literary Society and the Palmer Athletic Literary Society, better known as "E. R. B." and "P. A. L." respectively. These organizations have been very active in the gymnasiums and study halls during these early fall weeks. Herman B. Brogan has now written a new story that will be published early. This story is very popular with the students.

You have an opportunity to see the three fast "Skittles" at the light lunches in the dining hall at the Rice Holiness Literary Society. The three men are the best of friends and they are always ready to help you in any way they can.

But Corona can be tucked away in a corner of a suit case and costs but 50c—easy monthly payments.
