WELCOME ALUMNI AT THIRD ANNUAL REUNION

On Nov. 20, Thanksgiving Day, the alumni of Rice were assembled at the Rice Club, to which they were entertained by the beloved Alumni Society, with whom they had to be on familiar terms. They then proceeded to the Rice Amphitheater, where they were entertained by the Rice students, and then proceeded to the Rice Curling Club, where they were entertained by the Rice curlers, and then proceeded to the Rice Club, where they were entertained by the Alumni Society, with whom they had to be on familiar terms.

TRINITY HOLDS THE OWLS TO A SCORE OF 28-14

The Rice Owls opened their eyes at 8 o'clock when the Trinity University five million dollar football team marched on the gridiron, and scored two touchdowns on the way to victory. The Owl team scored two touchdowns against Trinity's defense, and, in turn, had scored two touchdowns against Trinity's defense. The Owls have a hard game before them.

Hail! Alumni!

To the members of the Rice Alumni Association, the alumni of Rice, and the students of Rice, we extend our congratulations on the third annual alumni reunion. The alumni society has been established for the purpose of bringing together the alumni of Rice, and the students of Rice, and of giving them an opportunity to meet and exchange ideas.

SOPHOMORES TO ANNOUNCE DATE FOR FORT DANCE

The senior class of the first annual Sophomore class have decided to celebrate the fort dance on Tuesday, Nov. 29th. The Sophomore class will meet in the gymnasium at 8 o'clock, and will then proceed to the Rice Curling Club, where they will be entertained by the Rice curlers, and then proceed to the Rice Club, where they will be entertained by the Alumni Society, with whom they had to be on familiar terms.

WELCOME HOME, ALUMNI!

We welcome home, Alumni! The Thresher, the student magazine of Rice Institute, would like to welcome you home. This year saw many changes; many new faces, of course, but many old familiar names who returned to their alma mater.

The Alumni Association has made a special effort to provide a warm welcome to all of its members. Whether you are coming home for the first time or returning after a long absence, you will be greeted with open arms by your fellow alumni.

The annual meeting of the Alumni Association was held recently, and it was a great success. Many new projects were discussed, and it was decided to continue with the program of providing assistance to students in need.

The Alumni House is open to all members of the Alumni Association. It is a place where you can come to relax, meet old friends, and make new ones. The house is located at the corner of Main and Yesler Streets, just a short walk from the campus.

The Alumni House is also the official meeting place for the Alumni Association meetings. It is a great place to discuss the future of Rice Institute and to make plans for future events.

The Alumni Association has many chapters throughout the United States, and you can join one of these chapters or form your own. It is a great way to stay in touch with other alumni and to keep up with the latest news from Rice Institute.

The Alumni Association also has a variety of events planned throughout the year. These include a number of social events, such as the annual Alumni Banquet, and a number of educational events, such as the annual Alumni Seminar.

In addition, the Alumni Association has a number of publications, such as the Alumni Magazine, which is published twice a year. It is a great way to keep up with the latest news from Rice Institute and to learn about the latest developments in the field of education.

The Alumni Association is open to all members of the Alumni Association. It is a great place to meet old friends, make new ones, and stay in touch with the latest news from Rice Institute.

KIDNAPPERS ARE KOMRADES OF KOO KLUCS

Another organization on the Campus! Earhy last week an seauter "Koo Klucis" opposition was apparent on the Campus and although no one knows anything definite about it, there have been several interesting incidents. In the first place, a number of the victim's effects have been found. After the usual period of 6 days when all evidence had been lost (17) someone about 10 p.m., passed through and his besmirched Hewlett's sauce upon the victim and then passed on to clean. The police of the "koo Klucis" were held out of the buisness, but strangely enough the 1st of the week the students attempted to intergrate the argument. Sullenly forcing the guilty men to assume the "mack sark", the kidnappers removed their rags of the bottom of the hooded one of the pretty and by playing Hills in the hooded one.

It was suggested by some of the bystanders that the offending victims have been taken to the tune of his citizens. At the same time, the leader only

A Spanish Club is in the process of organization now under the auspices of Dr. Woods and Mr. Glassman, and the club soon will have its first meeting. The object of the meeting will be held every week with special social meetings at night.

Miss Helen Armstrong is safe from her Thanksgiving, but will return to her duties at La Fage next day.

Miss Margaret Edwards and Mr. Rudder Jesse, '27, will be among those visiting from the University of Texas for the Oklahoma-Rice game and the McGehee football meeting.

This morning a visit to the Bouse Court, the Elizabeth Buffet Library Society entertained a group of students who were visiting from the University of Elizabeth Hopkins. The house was beautifully decorated with colored and the dominating figure was "The Birth of the Bouse," which was printed "ROUTES," representing the house.

The personnel of the party included:

Aces—Bob Hines, Robert Hennes, Edgar Hare, and Edward Strong.

CO-EDS START IN GYM CRAWL WORK

The girls' gym classes started last Monday with a good representation of the co-eds present for the first time. These classes are to meet every Monday and Thursday morning at 9 o'clock. The initial list of students is small and it is hoped that more will join the class.

The girls will be given inside gym work most of the time, but Director Moss plans to give them free side work on the athletic field, such as the main gymnasium.

The north work will consist of basketball, track, and field events, with games that will give the co-eds a little exercise.

Mr. Mann is now organizing the pete for the girls and the organization for basketball practices. There are a number of girls who have not been taken and all organization meetings have been held in the gym, with use of the floor gym of the gym have been used to see Mr. Mann. It is expected that there will be an interesting competition this season, as several of the teams have already begun their practices.

Nine Football Warriors Leave Owl Ranks at End of Grid Season

Eleven Owls, nine of them letter men, will leave the ranks of the team and blue gridiron squad at the conclusion of the 1922 season. All but two of them will probably be used in the Thanksgiving game against the Oklahoma Sooners, one of them is injured and the other hurt through scholastic difficulties. The whole team represents such a collection of star material as can be duplicated hardly anywhere. Their going is one of the hardest blows Rice has ever received in a football way.

Eight of the eleven are Louisiana, those backfield men. They constitute practically an entire team in themselves and tandem together would make trouble for any collegiate opponent. Six of the number are three letter men, all them, Dye, Underwood, Dyer and DePriest started in as freshmen together in 1920, playing on the K. A. T. C. eleven and winning "map." in '21, '22, and '23. Williams entered Rice in 1921, but won his letter from '22 to '23. Dye was a star tackle on the 1918 team, and since then has received letters in '20 and '22. He did not play this season, but will get his degree next spring.

Alexander and Kennedy will make the third letterers this season, Alexander made his "S" in '21 and '22, scoring last year. Kennedy won his first letter in 1921, was ineligible in '22 and took this season. Dyer began his football career in '20, making his "B" in '20 and '21, scoring last year. Kennedy was originally a football and track star at a Texas school, was put out of the track line-up. Dyer, many times picked for State half, was put out of the line-up. McKean, called into the line-up, is one of the best Rice has produced.

These men and their ability are known to every one who has kept up with Rice football. DePriest of B and has or lost the backfield in four years of Rice football but will make his first letter this fall. McKean will also win his first "S" this fall, though he played last year. These two and their ability are known to every one who has kept up with Rice football. DePriest of B and has or lost the backfield in four years of Rice football but will make his first letter this fall. McKean will also win his first "S" this fall, though he played last year.
