SHERWOOD EDDY TO DELIVER ADDRESSES TO STUDENT BODY

Sherwood Eddy, a world figure in Y. M. C. A. work, is in the state of Texas again. Under the auspices of the Y. M. C. A. he will deliver a series of addresses during the coming week.

Mr. Eddy is particularly fitted to discuss student problems, for his work with the Y. M. C. A. has taken him to almost every civilised country in the world. He has talked with the students in the universities of Germany, the Netherlands, South Africa, and other countries.

Mr. Eddy has been making a study of student problems for many years. He has visited practically every major college and university in the United States. He has talked with students and understood their problems. To add to that he has an in-depth knowledge of foreign countries.

It is said of Mr. Eddy that he is the man who best fits to bring before students a sense of their responsibilities. All students interested in that sort of address are urged to be present at the meeting since the return of Dr. Axson.

MAGAZINE TO BE EDITED BY WRITING CLUB

The Writing Club met Monday evening to discuss the most interesting problem of the year since it was the first since the return of Dr. Axson. The club decided to put out a magazine at an early date, just as soon as the editors of the magazine can be elected. Publications in the magazine will appear on the program for January.

BOB COUNTRYMAN TO COACH OWLS ON THE DIAMOND

Robert Countryman, a man of great athletic ability, has been appointed to coach the Owls on the diamond this year. Countryman has been associated with the athletics at Houston overnight. He has fought the football teams of the last two years, and has been in constant touch with the football team.

Countryman has had experience in coaching men's teams of Fort Worth, Fort Smith, Galveston and Laramie. For one season he played on the Southern Athletic Conference.

The score was 1-0 at the end of the first inning. The Owls played well in both the offensive and defensive lines. Countryman, who had played on the mound, did an extremely good job. He led his team to a strong victory.

The Owls will carry the number one seed in the South for this season.
of the education of a student, for some common project. of modern education—that of co-operating with the student body by a barrier that neither "social hounds" and others of a simi-	lar character could not face. Still a
tocracy, that "society" that we
today is abiding by those resolutions made
last year? How many of us are
best advantage. Certainly there is no seri-
ous issue at stake that should be dealt with by the
student government of Rice. After each
action has been taken with the
students of Rice, the better it is for the
students and the College. Why should a
voting member body, anything that may be accepted
only the rules and statutes of the
College. The Thresher has taken no
side of any group, and in our opinion no
thing may be worked out readily to the
advantage of the Rice students why the thing should not be
brought to bear upon the
student government and the
students of Rice. They are
sicid by the students themselves. The Thresher is
for the Rice students. We believe that the
thing should be dealt with, for the
benefit of the Rice students and the
College.

**COSTUMES TO BE USED FOR ARCHI-ART BAL**

Just now, as the time for Spanish costume dance draws nearer, the ball night of February 3 in Arts hall is occupying the attention of a big portion of the Eds and Co-eds. The dance will be given at After House on the night of February 3.

Materials are being gathered, according to those who have set the dance. An immense amount of red here and there will be iut hes of red here and there will be shawls now relegated to the attic will be used. Fans of many styles will be seen in abundance.

Robert Muller, chairman of the planning for the Archi-Arts Ban, took charge of the meeting and made a few preliminary arrangements for the night. Staff members of the art and architecture department with a short address by E. R. Duggan, president of the Student Association, took charge of the meeting and made a few preliminary announcements, among which was the announcement of the mass meeting on Monday for the purpose of starting off the Window Wipe foundation with a short address by Mr. Davis explained the purpose of starting off the Window Wipe foundation with a short address by Dr. Blackburn Austin.

President Duggan then introduced Mr. Davis, president of the Student Association, and Mr. Davis explained the purpose and work of the V. M. C. A. in a few chosen words and urged that the students help the basketball men keep training. Every Mayer called for yells and the meeting ended in a dash for pep and enthusiasm.
