The report shows that cash receivables from general subscriptions and admissions during the past season amounted to $136.43. The total amount charged before this year is over, i.e., Incidentals, bal 35.64 is $122.50, South hall $117.00.

Adoption of drastic rules against paying college athletes and the passing of a resolution protesting against the practice of offering inducements to prospective students is the thrust of the various Southwestern Conference school officials recently in Dallas. The resolution makes it illegal to offer any inducement to the athletic ability of a prospective student.

A RECEIVED LETTER.

The following few paragraphs were cut from a letter which reached me through the mail, signed only with the initials M. N. Aitken. They are the very type of a very important and timely communication with the faculty of Southwestern University.

In the editorial columns of The Thresher, the editor has written a number of articles on the subject of athletics, and has repeatedly mentioned the need of better conditions in the athletic department and the athletic field.

"I wish to ask the following questions for publication in your paper, The Thresher.

"The School is entirely too small to accommodate the large number of students who are interested in athletics, and who wish to participate.

"The facilities for athletics are inadequate, and the field is unsatisfactory. The students are urged to take an active part in athletics, but the conditions under which they must work are discouraging.

"The Thresher staff should be pleased to receive letters such as these.

"I am not interested in athletics as such, but in the welfare of the students, and believe that athletics can be a great factor in the development of character and personality.

"The faculty of Southwestern University should take steps to improve the conditions for athletics, and to make the field a place of pride for the students."
were Misses Mary Shacklett, vice president of the College Women's Club, and Misses Mary Halley, who had been announced as yet.

The only offices which were filled at the election were those of vice president and secretary. Misses Mary Shacklett was re-elected vice president, and Miss Alice Ann Adams was elected secretary.

A meeting of the directors of the Blue Mood Club was held at the home of Miss Tannie Lee Olin, president of the club. The purpose of the meeting was to plan a picnic for the club members. The picnic is scheduled for the last Saturday in May, and will be held at a location to be determined by the committee on arrangements.

A meeting of the board of directors of the Rice Students' Association was held at the home of Miss Mary Shacklett, president of the association. The purpose of the meeting was to plan a trip to several Texas points and to discuss arrangements for the next meeting of the association.

A wedding of the interest to Rice students was that of Mr. and Mrs. Bert Dunlay and Mr. and Mrs. Frank Gerlach. The wedding was a quiet affair with only a few people present. The ceremony was performed at Trinity church in Houston. The wedding party consisted of the bride and groom, the best man and the maid of honor, and a few close friends of the couple.

The Spring Season

The Spring Season is liable to bring unusual expenses and a falling off of income. During this season, businesses are usually in a position to take the best care of their customers. This is a part of our business to accept deposits as long as time and to loan money when our customers require it. We want to continue banking business and assure you every service that our present customers expect.
