For the first time this season when a conference game was on deck, Houston sport fans, including the sports editors of the two Houston dailies, have been a negligible factor in conference standing due to unusual inferiority in weight. Baylor, Oklahoma A & M and Texas University all have had fast teams who could challenge the Rice eleven more than 20 pounds for men. Arkansas, on other conference team, is very little heavier than Rice. With the effort exhibited against Texas, the Owls are expected to chalk up a sure victory against the Razorbacks.

TEXAS LONGHorns DEFEAT THE OWL GRID WARRIORS

Continued from Page 3

Between the halves the Longhorn band and the members of the Owl end zone band did not seem to notice the score to be 6-6. They were clad in blue either almost to the top or down to the knees. The Rice men were clad in blue from the head to the waist and made a wonderful spectacle. Just as the ball Land Rice September started his gang in the famous "Texas Ring" they all got off their feet. balcony terrible and fanatical. The Owls were noise and excitement. TEXAS TURKEYS DEFEAT THE OWLS

In the room below a paragraph was written that the Owls must be paid by 500,000 midnight, not Askins, their marching band. The Texas band was on the field in the Longhorns' original black and white uniforms and made the most of it.

In view of the fact that the Owls are at the cost, the only money available for the meeting of obligations is that paid in the conference. The Owls must be paid promptly.
