THE KING IS DEAD, LONG LIVE THE KING

The election of Miss Nona Joyce as Queen of the Bonfires and the election of Mr. William D. Coleman as King were considered the most important events of the week at Rice. Naturally the students were thrown into consternation by the announcement of the new King and Queen, but as the book was closed on Tuesday afternoon, arrivals were very light, and the excitement subsided.

The Student Council has also been active this week. A group of students who have been suspended from the Campus in Connection with the Bonfire incident have been reinstated. It is expected that the students will continue to be active and that the year will beclient in the social and cultural life of the University.

RICE RURAL STAFF LACKS HUMOR HEAD

All Departments of The Campanile In Connection with the Bonfire incident.

It was Easter in Ashry House, the morning bands were in full swing, and the atmosphere was charged with excitement. Miss Ethel V. Emsley, who was in charge of the department, was not surprised to find that the students were not in a mood for study. However, the day was not entirely lost, for it was spent in the pleasant surroundings of the university and in the company of friends.

The first thing that caught the eye of the students was the magnificent display of flowers that covered the walls of the classroom. The sun shone brightly through the windows, and the air was filled with the sweet fragrance of roses and lilacs.

As the students entered the classroom, they were greeted by a host of friendly faces. The professor, who was thoroughly prepared for the day’s work, began by reviewing the work of the previous week.

The students were encouraged to participate in the discussion. Many of them spoke up with enthusiasm, and the professor’s patience was rewarded by the interest shown in the subject.

As the day came to a close, the students left the classroom with a sense of satisfaction. They had been introduced to a new and exciting world of knowledge, and they were eager to return the next day to continue their studies.

TICKETS FOR DULCY ON SALE MONDAY

A meeting of the Committee on the Arts and Sciences was held on Monday afternoon to discuss the future of Dulcy at South End Junior. The committee was composed of representatives from the various departments and was chaired by Mr. J. W. B. Cox, President of the Arts and Sciences committee.

The committee discussed the various options for the future of Dulcy. The options included the possibility of moving Dulcy to another location, or of holding it at the same location with changes to the program.

The committee ultimately decided to hold Dulcy at the same location with changes to the program. The changes included a new theme for each performance, and the possibility of having different groups of students from different departments involved in the production.

The committee agreed that the changes would enhance the educational value of the production and make it more interesting for the students.

IRRA HOLLIS TO ADDRESS ENGINEERS

Distinguished Educator To Be Entertained at A Luncheon

On Tuesday evening, April 11, the annual dinner meeting of the Rice Institute Engineers was held in the Rice Hall dining room. The guest speaker for the evening was Mr. J. W. B. Cox, President of the Arts and Sciences committee.

Mr. Cox gave a talk on the importance of art in engineering education and the role of the arts in the development of engineers.

Following the talk, a dinner was served, and the guests had the opportunity to mingle and discuss the topic of the evening.

The dinner was a success, and the guests were all pleased with the evening’s events.

JOHN POWELL OPENS MUSIC LECTURE SERIES

The Rice Institute Lectorship in Music was inaugurated on Monday evening, March 11, with a recital by Mr. John Powell, the American conductor and music educator.

Mr. Powell, who is well-known for his work in music education, gave a lecture on the importance of music in education and the role of the music teacher in society.

The lecture was well-received by the audience, who were impressed by Mr. Powell’s knowledge and expertise.

ELEPHANTS IN THE ROOM

As the news spread of the impending Bonfire, the students gathered in the courtyard to discuss the event. The atmosphere was electric, and the excitement was palpable.

The group decided to make the most of the day and to enjoy the event to the fullest. They decided to meet at the clock tower at 12:30 p.m. to begin the festivities.

The day was filled with music, dancing, and food. The students were in high spirits, and the campus was alive with the sound of laughter and joy.

The Bonfire was a success, and the students were excited about the upcoming events. They were looking forward to the next big event, which was scheduled for the following week.

INTERCOLLEGIATE TRACK CLASSIC TO BE HELD APRIL 13-14

MANY TEAMS TO COMPETE FOR HONORS

Extensive Entertainment Program Has Been Arranged

A large aggregation of high and prep school athletes will converge upon the Rice campus next Friday and Saturday to participate in the Second Annual Interscholastic Track Meet of the Rice Institute.

Special arrangements have been made for housing of these athletes in the Institute dormitories. They will eat with the Rice men in the dining halls.

The majority of the athletic teams have accepted the invitation to compete. Almost every college and a number of the leading prep schools have sent teams. The Rice faculty and the student athletes will make the competition a success.

This interscholastic track meet of the Rice Institute will bring together from all parts of the country from all these fine schools, giving a high school from every state from the East and West Coast.

The Owl cinder path will afford many opportunities to the athletes. Rice has the only cinder path in Texas that has a 220-yard straight away. The track team will be very pleased.

Preliminary meets will be held for the team in the first week of April. The Rice track will be in perfect condition for the first week in the month of April.

An extensive entertainment program has been arranged by the Rice Institute Engineering Society. The Owl Institute Engineering Society will play an important role in this program for the benefit of the high school athletes who will compete in the interscholastic track meet.

The Owl Institute Engineering Society will have an important function in the program for the benefit of the high school athletes who will be competing. The Rice faculty and the student athletes will make the competition a success.

Soil will be held on Friday, Saturday, and Sunday. The Rice track will be in perfect condition for the first week in the month of April.

Saturday night the Rice students will be having a dance in the Commons. This social function will open the two days' visit at Rice this high school season.

The Rice Owls will also have the meet in the, for the benefit of the high school athletes who will be competing.

The Baylor team, a great deal of confidence in Saturday. From Saturday's meeting, Texas. Fitch, a new man to the Owl team this year, covered work last Saturday. The Longhorns met the Owls with Simpson close to the mile run. Gibben proved a second Corpus Christi lad a good test in the mile run. Watt is a sure bet in the quarter mile. The Most Elaborate, Excruciating Jitney Dance, Wild Woman Singers from Spotti's Opera Co. appears in the title role. Miss Selby spent the week in Houston and at Rice last week. Miss Lois Selby, a former Rice student, is attending Sullivan's College, or in the cloisters Saturday. Miss Autry House observed the usual open house Easter Sunday. Members of the College Women's Club have plans under the direction of D. T. McLaughlin and Dr. Roy Johnston for the annual Remembrance service to be given April 14, at 10:00 on the second floor of the T. W. C. A. building. The event this year will be in honor of the senior girls of the club who are to be the guests of the club. Miss Vera L. Hutto, chairman of the program committee, is promoting unusually interesting features, and those familiar with the former successes parties and their elegant styles reminiscent of college days, have un- derstood April 14 on their schedule. The following Friday, April 13, a homecoming meeting of the club will be held at the request of the council by the secretary of the club.
