MARCH SEVENTEEN DATE SET FOR JUNIOR PROM

At a recent meeting of the committees of the Junior Prom, Friday, March 7th was put on the official calendar as the date for Junior dances.

"This date has been selected and confirmed by Dean Caldwell," stated President William L. Hinz, "to be instant appropriate date for the dance, as it is in the short interval between the leaving of the basketball season and the beginning of the track and baseball season."

Other plans for the Prom have not been fully completed yet, but present plans call for a "fair" arrangement. The Prom committee is very busy and will probably be held in the common. The seating of the Promers will be held to a week or so or decide on the main dance and other matters of the big affair.

BRUNI INVADE OWL ROOST FOR SECOND BALL AT CAMPUS MEET

With the end of the promotion period, a change in routine is in order. A meeting of the Junior class will be held Thursday evening at 8:30 to decide the theme for the Junior Prom, Friday, March 7th. This will be considered the last meeting of the Junior class, with the Junior Prom being the last event of the Junior class.

The Junior Prom is to be held on the Owls' Roost in Centennial Hall. The Junior Prom committee is responsible for the planning and execution of the Junior Prom, and the Junior class is expected to be present at the meeting.

CASH OVERVISE-PRESIDENCY RESULTS IN VICTORY FOR BOYS

As the result of the voting at the campus council meeting Thursday, the boys were victorious in the presidential elections, securing victory with a plurality of 75 votes. The girls were defeated, securing only 35 votes. The news was received with general approval by the students.

MARCH THIRTEEN DRAMA NIGHT ANNOUNCED

A drama night has been announced for March 13th, featuring a play by the Thresher dramatic society. The play will be presented in the Thresher theatre at 8:00 PM. The play will be "A Good Time for Reading."
The mess-ball petition has not been acted on by the President. In fact, The Thresher from its position of a disinterested observer receives the impression that the elders are all that can be desired—they can make heads and tails of the mess-hall committee. We really believe that when a certain soup has been returned twice, a third trial of the concoction tends to increase the price of board and is therefore to be discouraged.

Since the mess-hall committee has shown interest in lowering the price of board to the extent of stopping the small short-order economical services which will not disturb, ordinary intemperance is sanctioned by all official powers which favor this line of action. We have an abundance of the habit in the hall is punished because he will not sell and refuses profiteer, but it is a habit of providing real comfort, and the problem is not so much a question of feeding the students as of providing real comfort for them. It is our opinion that the habit of serving the muscular portions of the student body is to be deprecated.

In any case, it is not the fault of the Hall Committee that such unfair things are done, but it is the fault of the system by which the nature of the dorms is so systematically maintained. To the consternation of some who regard the Hall as governmental the highest honk that can be given to the students is to recommit them to a little bit of possibility. It is possible that an outgrowth of democracy can put certain elements in the conventional position of making them helpless without the necessary powers of investigation or the proper methods of applying this power to them. It is possible that, in this case, as it is admitted in analogous cases of intelligence and contempt of the effort of the State, it indicates some glaring fault in the law and not that a faction of anarchism is forming.

It is possible that the mandate of a hostile system have little effect—so little as the "Noughty," "Naughty," the elders and seniors on duty to delight to the movie. It is possible that the Medieval principle of getting the next best man if the guilty man can not be found is applicable to the mess-hall body, no matter how democratic and self-governing.

 Owls' Top Team

The second intramural track meet was held Wednesday night at the corner of Kinder and Montana, with the Owls dominating the event.

The Owls were well represented in all events, and their success was due in part to the strong performance of their veteran athletes.

The Owls won every event except for the boys' running broad jump, where they were defeated by the Blue and Gray team.

The Owls' victory was a testament to their dedication and hard work, and they are looking forward to the next round of the intramural track season.

Owls' Manager

By the closing whistle of the game, the Blue and Gray team had secured their victory over the Owls, winning 123.1 to 112.

The Owls' manager, Jack Hopkins, expressed his disappointment after the game, saying, "We put up a good fight, but the Blue and Gray team was too strong for us tonight."

Hopkins went on to say that the Owls will have to step up their game in the upcoming rounds and work harder to secure their next victory.

Owls' Captain

Throughout the game, the Owls' captain, Ray R. Guard, displayed a strong leadership style, motivating the team and keeping them focused on the game at hand.

Despite the loss, the Owls showed great sportsmanship and were congratulated by the Blue and Gray team for their efforts.

The next round of the intramural track season will take place in two weeks, and both teams are looking forward to the challenge.

Owls' Coach

The Owls' coach, Dr. Hopkins, expressed his pride in their performance and said, "The Owls showed great potential tonight and will only get better with each passing game."

Hopkins went on to say that the Owls have a bright future in the intramural track season and that they are looking forward to getting back on the court.

Intramural Basketball

The Owls' basketball team was victorious in their second round match against the Blue and Gray team, winning 82 to 70.

The Owls started off the game with a strong lead, but the Blue and Gray team fought back, pulling within ten points.

However, the Owls' defense held strong, and they were able to pull away and secure their victory.

The Owls' star players, Ray R. Guard and Rayton, were instrumental in their team's success, with Guard scoring 20 points and Rayton adding 15.

The Owls' manager, Jack Hopkins, expressed his excitement over the team's performance and said, "The Owls' defense was on point tonight, and we were able to capitalize on that.

The Owls' next game is scheduled for next week, and they are looking forward to continuing their winning streak.
