Owls Make Ready For Texas Aggies; Sooner Aggies Go Home Happy

By Gordon Turrentine

A good deal of reaction at the hands of the Oklahoma Aggies, the Owls got back one of their big victories from coach John Nicholson in preparing for the inevitable showdown from Saturday night. A. M. and O. will visit to Rice next Wednesday night, and the game starts promptly at 8:30.

The Aggies are a two-speed team, neither the offense or the defense, being either fast or slow. They have only one or two fighting little upsets A. M. and A. M. has assembled a sufficient number of talented men for conference boarders.

The Owls beat the Aggies in their two previous meetings, but not until after the Owls had jumped up 12-0. Rice can throw play when they want to.

For the early parts of the season Owls lead 18 to 0. (Continued on Page 32)

Seniors Desert Mustache; Fight Over Substitutes

What should a college senior wear? That is the question among the high class Rice Seniors. It is creating a heated controversy in the University and the campus is in an uproar. The question is, “When was the Class of 1926 club from the idea of cultivating the mustache attitude?”

There are those who say that the mustache is a bad habit and that it should be gotten rid of. But there are others who say that it is a good habit and that it should be kept.

In an effort to restore peace and good will among the senior class, a special meeting will be called to discuss the matter.

The meeting will be held at the sorority house on Friday, February 9th, at 7:30 p.m. All members of the class are requested to be present.

Track Work Will Start Feb. 1

According to a communiqué from Coach John Nicholson, track work will start this week. The work will be confined to the morning hours until the out-of-school vacation period, when practice sessions will be held on the playgrounds and at the track. The usual percentage of effort will be given to the Freshmen in the morning work, while the Mid-Semester men and the Seniors will receive more coaching and drill.

Coach Nicholson announces that he will be in Europe in March, but he will return before the Interscholastic Games to be held March 28. Heisman has been on a tour of the country by bus, and he is now returning to the west for a visit to his friends in the Orient.

Watkin Lectures On Michelangelo's Genius

By Donald S. Flint

Michelangelo's sculpture, painting, and architecture is explored in this lecture by William Boardman, Professor of Art, to an audience in the physics amphitheater on the campus.

Michelangelo was given the title of the Great Renaissance artist. Among his many accomplishments:

- He was a student of Lorenzo Ghiberti, the greatest statues of the tomb of Julius
- He was considered a greater figure in art than his
