President W. A. Avery has announced that Mr. R. E. John, the "Cornerstone" of the Hotel and Restaurant business, and Mr. L. E. Jackson, the President of the Junior's Committee, will play prominent roles in the various activities to be held during the next few weeks.

His early speaking engagements included one at the Owls' annual dance, which was held in the University Auditorium on Saturday, November 11. A large number of students and faculty members attended the event, which was sponsored by the Junior's Committee.

Upon returning to his alma mater, Mr. John was again called upon to speak on the subject of "The Importance of Higher Education," to an audience of approximately one thousand persons.

Mr. John is a native of the city of Dallas, where he was born on January 1, 1890. After attending the University of Texas, he entered the hotel business, and has been active in the field ever since.

He is a member of the Rice Owls Club, and has served as a member of the executive committee of the organization for several years.

Such a success of our own teams to the machinery and to the officers of the Rice Owls Club.
