GEORGETOWN WINS RICE RELAYS

MAY QUEEN ELECTED

MARSHA SCOTT TO WEAR REAGAL CROWN

Hansine Scott was chosen May Queen last Friday in one of the most entertaining elections ever held on the campus. She held the field of three competitors by a large majority.

More interest was displayed in this election than has been shown in any election. Nearly 1000 registered to vote, including a large number of non-seniors.

Scott is a Senior, and is very popular both on and off the campus. She has held a number of student offices and is president of the Student Senate. There is no doubt that Miss Scott will win an easy victory. She won the contest last year and is known that she has ever had.

She will be assisted by Margaret Lentz and Hilde McHale at present.

Following the more or less usual custom, the King will be appointed by the Student Senate and announced by the Women’s Club. The remainder of the court, which will be chosen by a vote from each of the four classes, will be announced by a committee chosen by the Women’s Club.

Canteen and Cafeteria closed 11:30 P.M.

HIGHER EDUCATION

Pre-Senior Class Officers

The regular meeting of the Pre-Medical Society was held this week. Officers for the remainder of the term were chosen and the society will meet every week.

BRIEF SURVEY OF ECOnOMICS CLUB

The Economics Club, one of the social groups of the student organization, was organized early in 1914 by Dr. Anderson, then president of Economics at Rice. Mr. Chas. Crouse, the class of '09 graduate, was president of the first group.

The membership is restricted to ten members, and is a social club, in which students who are primarily interested in economics and business can meet. The club studies a majority of the courses in Economics, Business, and Advertising, and is open to students of other classes.

All of the members attend the meetings, and it is expected that they will be present at all future meetings to discuss the subjects chosen. Among the subjects discussed so far are: The Economics of the World War, The American Economic Situation, and The Theory of International Trade.

Sakowitz Bros. New Store Installed to Handle More Merchandise

A plan has been completed to expand the Sakowitz Bros. store, located at 1200 Main Street. The store will be opened next week and will be equipped with new fixtures and improved displays.

KITTY IS STARVING

New System Installed to Handle More Goods

It is certain that the situation of Kitty is serious, and it has been decided to take immediate action to resolve the problem.

THE OX

On an East Indian farm, where the crop is tea, a wooden plow turns up the rich black soil. A woman drives, another woman pulls—and a black ox pulls beside her.

Six hours under a tropical sun, a bowl of cold rice—and six hours more. Then the woman goes to bed, her hands covered with a blanket that is cool.

Tomorrow will be the same.

The American home has many conveniences. But many American women often work as hard as their Oriental sisters. They toil at the wadath, they carry water, they churn by hand—all tasks which electricity can do for them at small cost, in half the time.

The labor-saving powers of electricity are constantly becoming more widely recognized. And the new influence of the release of the American woman from physical drudgery, through the increasing use of electricity in and about the home, will appeal instantly to every college man and woman.

as an actress and director and has aided in the presentation of some of the Dramatic Club's most successful productions. Mrs. Jones will have under her tutelage two directors, but has had extensive experience as a Little Theater worker. Mrs. Jones has had under her tutelage the casts who have played in "Moonlight and Roses," Susie having sung in the role of Anne. This was the second of a series of classes in story-telling which has been held in the Dramatic Club. Mrs. Jones has chosen as her topic of her address, anyone who really wants to hear something that is new and interesting in English. This is the only activity of its kind at Rice. The play is a mystery play, based on the scene of the ruins of Cranmer Club. This is considered quite an interesting one to produce and is by Floradice New Harriet.

ST. PAUL'S RICE CLASS TO FACE CAMERA

Campanile Picture to Be Made

All members of St. Paul's Rice Class are to appear on a picture that is to be made on Sunday as a representative picture of the class. In their natural environment, the camera will catch the group in a series of trips, which will be used in the annual talks. The group will consist of the boys and girls of the class, and the pictures will be taken in the city. The pictures will be used in the annual talks and will be exhibited at the annual meeting of the class.

TALK about "illiteracy's awful end"... the printer certainly called the "jig" box that trip. But let that go! The advice is just as serious and sound as though it were couched in the careful diction of an English prof. But just get yourself a jumppipe and fill the bowl. And don't play with matches!...
HISMAN PRAISES

he is pleased with the performance of his charges in the various relay events. He expects to put his own club through the paces during the next two weeks in preparation for the meet with A. and M. on April 10. kns

Heisman approves of Griffith, Sayre, Bannister, Goodrich, Hjertberg, and Others in the 100-yard dash of the high school division. The Ohioans' best performance was the 49-foot 2-inch heave of the cannon ball by Celaya, who was later presented with white gold Prizes.

As the faculty should co-operate in seeing that the new rules will be applied. The latter should not take the place of the referee, but the coaches should then assume new positions of honor.

The last word on the subject made it clear that all the best men could be found in the track meet. The Ohioans won the big relay event with a score of 6 on 1 point for the second and Southwestern University was third. The Ohioans’ best performance was the 49-foot 2-inch heave of the cannon ball by Celaya, who was later presented with white gold Prizes.
