## First Annual "Rice Night" To Be Held By Rally Club

"Yes, it's May 5"—the Rally Club's first annual Rice Night.

This is the solution to the popular riddle that has been displayed on auto windshields for a week.

City Auditorium is the place. Wednesday, May 5, is the night. Rice entertainment by Rice students is the menu.

A spicy program of college music and college dramatics has been arranged by the Rally Club. Lee's Owls, the Glee Club, the Owl Band, the Dramatic Club and others will feature in the bill. A big dance with Lee's Owls officiating will follow the show.

It is the first affair of its kind in

the history of the Institute. It is to be a permanent event, to be staged annually by the Rally Club. The idea is to bring to Houston folk a college spirit with a punch and to set Houston and Rice students at work in a common undertaking.

The Association of Rice Alumni is sponsoring Rice Night, and a scholarship is forthcoming out of the proceeds.

Plans are already being laid by the Rally Club for next year's Rice Night, which will probably be staged sometime in the fall instead of in the spring. It will be event No. 2 of its kind. Those in charge plan to make it a highly elaborate and and spicy affair.
