to the present class participants the details by means of which the present situation, and that this council, in making its decision, did so with the confidence that the student body voted so with the conviction. Its members are elected by the student body and as long as this is true, the selection rests with the student body, and if the student body so desires, it will stand behind it.

The council recently passed the bill which would have the Freshman-Sophomore fight. As it is, the bill did not affect the student body as we could not support such a proposition. That is the function of a law-making body in any democracy, and if this council did not feel so, it remains for this council to stand behind it.

The council feels that since it accepted full responsibility for the present situation, it should be within its bounds when it demands that the student body contribute to the fund. The new council, in making its decision, did so with the confidence that the student body would stand behind it.

Society

With each succeeding day an unusual environment comes into being, and the most striking example of which may be pointed out in the fact that the mail is actually delivered to your home. Miss Bernice Ludeau will entertain with a tea on May 17 in honor of Misses Natalie Carlisle and Frieda Barbour.

CONFERENCE GOLF TOURNAMENT SET FOR DALLAS NEXT WEEK

Six Men Will Represent Rice In Golfing Play

Five of the six men who will make up the Rice golf team for the upcoming annual Conference meet in Dallas next week. Tuesday and Wednesday have already selected in the University, Baker, Travis and Woodrow. The sixth man will be selected next Monday. This will leave only one berth to be filled.

The Rice team will have a tough time in this meet. It has not been able to conduct its practice because of the rain. However, last Monday the team had a practice where they were able to go to their bag and make a selection of clubs.

Rice will be facing the University of Texas and the University of Arkansas at this meet. The Texas team is under the direction of Coach W. E. Moore, and the Arkansas team is under the direction of Coach H. W. Johnson. Rice has not had a chance to meet either of these teams before, but they are sure to give a good account of themselves.
