ATHLETIC COUNCIL SIGNS
Aggie Mentor to Handle
Grid Line and Ball Nine

ANNOUNCEMENT has been made that Clause Rothgeb, a former Texas Aggie, has been added to the coaching staff of Rice Institute. Rothgeb played football at Texas and attended the University of California. He was an all-American center and has been in the coaching field for the past two years.

While Meals, one of the effective defensive men of the 1926-27 football team, is not expected to return, the position of grid line and ball nine coach is considered a sufficient one for the present. The coaching of this team is considered as one of the most important ones at Rice.

The addition of Rothgeb will enable the Rice coaching staff to cover the entire field of football, which is necessary for the success of any football team.
