FRANZ NAMED TO SUCCEED BENNETT

Captain Marie Comstock, of El Camino, Texas, who leads the Rice Owls on the football field, has been named to succeed Bennett, the popular and energetic football coach.

The new coach, who has been selected by the student body, is not only a skillful football player but also a versatile athlete. He has won many games as a member of the Rice Owls football team.

The new coach has promised to give the Owls a new lease on life. He has already begun work on the team, and the Owls are looking forward to a successful season.

The new coach has been chosen by the student body after a careful and exhaustive survey of the candidates. He is the only candidate who has the qualifications required for the position.

The new coach has been given the necessary tools to succeed. He has a large and enthusiastic following, and he is expected to lead the Owls to new heights of success.
