The Rice Society

The Rice Society was formed with the idea of making it possible for students to have more social events. It was founded in 1894 and has been a part of college life ever since. The society is responsible for organizing various events, including dances, parties, and other social gatherings.

The Rice Society is one of the oldest and most prestigious social organizations at Rice University. It provides students with the opportunity to meet new people and participate in a variety of activities. The society is divided into several sections, each with its own set of rules and traditions. The society's activities are open to all students and are designed to promote a sense of community and camaraderie among its members.

In conclusion, the Rice Society is an integral part of college life. It provides students with a unique opportunity to socialize and have fun while also fostering a sense of belonging and community. Its history and traditions make it a valuable asset to Rice University and its students.

Coca-Cola

At an Unusually Low Price

The Coca-Cola Company has reduced the price of its product to a level that is below the average price of similar products on the market. This move is aimed at making Coca-Cola more accessible to consumers, particularly those who are on a tight budget. The new price is expected to boost sales and help the company maintain its market share in the soft drink industry.

WELCOME, COACHES

WITH THE ALUMNI AND STUDENT BODY HAVING ALREADY BID YOU WELCOME, WE, THE BUSINESS MEN OF HOUSTON, WANT YOU TO KNOW THAT WE ARE BACKING YOU TO THE LIMIT. COUNT ON US AS RICE BOOSTERS, AND REMEMBER ALL HOUSTON IS WISHING YOU SUCCESS.

ERNIE HJERTBERG
Track Coach

Coach "Ernie" says he has long since stopped having birthdays, but back in 1908 he is known to have "arrived" as a great coach of track when his Irish American Athletic Club contingent of the American Olympic team made nearly half of the United States' score. Then in 1912 and 1920 Hjertberg coached the Swedish and Dutch entries in the Olympics, the Swedes in 1912 scoring in 26 events, and in 1920 in 30. Edwin Wide got his start back in 1920 under Hjertberg's tutelage.

Hjertberg trained the nucleus about which Rice's conference track champions were built last year, and after an absence of nearly two years, he's back at Rice for good.

JOHN F. MEAGHER
Head Football Coach

All-American mention as end on one of the greatest teams Notre Dame has ever turned out, three years of service with the American Marines in France, eight years as head coach at St. Edwards College is a brief summary of the career of Coach "Jack" Meagher, and in that brief period the "Doctor" has won for himself the untinted praise of one of America's greatest football coaches. Says Knute Rockne, "Meagher is one of the most promising young football coaches in America."

One great St. Ed's team went through a season undefeated, taking the scalps of both Rice and Baylor in their march to fame. Coach Meagher is "putting 'em thru" spring training now.
