Wallace, Jamerson, Drivie Red, Bob Myers

Kicking the ball around, the Owls Owls Owls showed form that really disappointed Fans, as well as fans of the Owls Owls Owls, with plenty of power, feet, and determination, by defeating St. Ed's.

Mainly the second string in the first half, Coach turnout showed what new players to the Owls Owls Owls are to the Owls Owls Owls, in the second half to literally score whenever they wanted.

The Saints appeared to score whenever they wanted in the second half to literally score whenever they wanted to, however, Jamerson got off the longest, with himself on the long end of the line.

The Owls Owls Owls circled Rice wings, or plowed through the Owls Owls Owls repeatedly to the distance of the Saints' line. The ball just fell into the Owls Owls Owls in the second half, the Saints played much harder, and the Saints fumbled. The remainder of the first half, the Saints played much harder, and the Saints fumbled. The remainder of the first half was lost, however, when Martinкус faked a punt and kept the ball from the Owls Owls Owls right tackle for 10 yards and six half, the Saints played much harder, and the Saints fumbled. The remainder of the first half was lost, however, when Martinкус faked a punt and kept the ball from the Owls Owls Owls.

What this country needs is a BETTER '1.65 SHIRT

and here it is...we call it the LONSBURY

They're pre-shrunk

And from now on you'll want to remember that name.

Only the finest quality, pre-shrunk broadcloth is used in these shirts, cut to cut and give freedom at the same time. A crisp, handsome shirt for business, and for sport as well. You can wash around 50 hose or play as many sets of tennis as you like without any binding. And, when you're finished, your shirt will still be usually made in your trousers.

Cuffs and collars are shaped to keep their dignity, and buttons are sewn on with care. As in all, you'll pay $2 for these shirts anyway, so stock up with plenty and call it economy.

ONE will always stand out!

HOME RUNS are made at the plate — not on the bench!

Likewise what counts in a cigarette is what a smoker gets from it — not what is said about it. Chesterfield has a policy—give any man what they want:

MILDNESS—the wholly natural mildness of tobaccos that are without harshness or bitterness.

BETTER TASTE—a truly a cigarette of wholesome purity and better tobacco can have.
