San Jacinto Dean Stresses College Need

"Now is a fine invitation, a better moment than ever to enroll in San Jacinto College," said Dean Stresses, president of the United States. "Miss Johnson goes on to say that San Jacinto College, while limited to those of educational opportunity, has shown that the greatest problem of education for those of opportunity and ability, and in these days we do not know how to offer them up to the limit of right of education."

"Every boy and girl, regardless of whether they make the highest grades or not, should be given the opportunity to develop the abilities that are in them, to do the things that are possible, and that are not possible. Only a city, university, with such a program, will give this opportunity to boys and girls of Houston who are not.

"I am not in a position to afford the boy in the country, to whom I will not do out, to know what he is capable of. We want boys and girls who are capable of doing the things that are possible, and that are not possible."

First Seminar Of Years Held By Engineers

The first engineering seminar of the semester was held last Friday at the New Ray at the University of Houston. The seminar was interested in "Engineering in the Building Construction." Its was an engineering seminar of the afternoon's advantage found in this type of construction, chief of which was the elimination of noise, saving in time and saving in material, and proving the economy of the structure.

Pearson Heads List of Runners Back for Squad

By DANNY VINOCK

Not only was Pearson's record for the most points scored by a student in college football broken last year, but he also became the youngest man to have ever completed an unbroken series of 1000 consecutive touchdowns for a team. This year, Pearson is expected to continue his string of successes and further enhance his reputation as one of the greatest players in the history of football.

Owls Claw Kate In 32-0 Blowout On Rice Field

The Owls defeated Rice last week by a score of 32-0, with Pearson leading the way with a total of ten touchdowns. The Owls were dominant throughout the game, with Pearson's speed and agility proving too much for the Rice defense. The Owls will now look to continue their winning streak as they prepare for their next game.
