YOUR SATURDAY NIGHT DANCE, IN BRIEF

For a time, we thought that we would not have to request The Rice Thresher to get an article of this type, but existing conditions have caused us to request this necessity. Today, please read, consider, and "let your conscience be your guide". The following is a report on the Co-Operative's latest series of dances.

Students at Chicago U in "Secret Six"

"Secret Six", the popular movie, was shown on November 15th at the Chicago University. The campus is excited over this series of dances which are to be held at the University. The following is an account of the first "Secret Six" dance held at the University.

From Chicago U:

"Secret Six" dance held last Saturday night, November 15th, was attended by thousands of students and faculty members. The dance was held in the University's Student Center, which was decorated in a style to match the movie's theme. The dance featured music from the "Secret Six" soundtrack and a special guest appearance by the film's lead actress, played by a local student. Many students were dressed up in costumes inspired by the movie's characters, adding to the festive atmosphere.

Newspaper clipping from The Rice Thresher, a weekly student publication at Rice University. The clipping includes advertisements, student newspaper articles, and other content typical of a college newspaper. The text is a mix of academic articles, student life updates, and advertisements. The clipping is too small to read clearly without optical character recognition (OCR) software. A larger, clearer image or a digital copy of the newspaper would be necessary to extract readable text from it.
Pearson Takes First in N.A.C. Cross Country

Again stealing the show from the rest of the field, Gaynor Pearson of Kregert, long-legged eighteen-year-old track star on Coach Hjertberg's Rice Owl team, galloped away with the forty-six runners of this part of the Heron Marathon. N.A.C. men held at the Southern Pacific field, this year was decided after heavy handicaps.

Coach Hjertberg plans to hold these meets at intervals from now till track season. It is his contention that there is a need for more competition for track men who are not lucky enough to be able to put forth their maximum talents for future Olympic teams. He has entered these meets include: H. B. Relyea, A. H. Barlow, H. G. M. A. O. Beavers, all members of Coach Hjertberg's variety and freshness track squads.

FORT WORTH, Dec. 11.—The average score of the college student greatly increased upward as he advances from the high school course. This deduction is made by E. T. Draper, registrar of Texas Christian University, after a study of the 1927-1928 report.

The study shows the following per- centage of names of those whose grades appeared on honor rolls in the first, second, and third fifths, respectively. Freshmen, 30.3; sophomores, 40.3; juniors, 60.3; seniors, 80.3.

The percentage of women, whose grades appear on honor rolls this year was nearly 12 points higher that that of the men. The percentage of senior women was the highest, while that of the senior men was the lowest.

Two Teams Are Preparing To "Shoot Works"

After it seemed that the Southwest Conference would be another easy season for the Rice football team, the Mallards changed their tune.

The Mallards and Rice are 'dead even' in Conference standing, so the Rice team will have to work all the harder to make a clean break from the Mallards and the rest of the Conference.

The Mallards are coming off an easy win against the Houston Storkers, who are making a strong run in the Conference.

The Rice team has been working hard to prepare for this game, and the Mallards are expected to put up a strong fight. It promises to be an exciting match!
