Saturday-Dances Moved To University Club

Pat Quinn
To Play At First Affair

Charge Will Be $1.50 per Couple Hill Is Rebudgeted for Opening September 19th

Beginning at 8 p.m., Saturday, September 15th, the first of the Rice weeks, there will take place at the University Club, a sponsor of a very successful year for the Hill Affair. It is believed that this event will prove to be a great success. Although the Hill Affair is not the main event of the University Club, it is expected that it will receive considerable attention in the community.

The Hill Affair has been planned and organized by the Student Council. The Student Council is made up of representatives from each of the University's fraternities and sororities. The purpose of the Hill Affair is to raise money for the University's athletic teams, and to bring the students of the University together for a fun-filled evening.

The Hill Affair will feature a variety of activities, including a dance, a talent show, and a raffle. The dance will be held in the main ballroom of the University Club, and will feature a live band. The talent show will be held in the small ballroom, and will feature a variety of musical and dance performances. The raffle will be held in the hallway outside the ballrooms.

The Hill Affair is open to all University students, and tickets will be sold at the door for $1.50 per couple. All proceeds from the Hill Affair will be donated to the University's athletic teams.

The Student Council is looking forward to a successful evening, and is confident that the Hill Affair will be a great success. The Student Council would like to thank all of the members of the University community for their support, and looks forward to seeing everyone at the Hill Affair.

TIPS TO FRESHMAN

Take inventory. I think that this is the first advice that should be given to any freshmen. Find out what are your hopes, desires, aspirations and dreams, and compare these with your latent abilities.

Don’t be too hasty in forming opinions, and don’t rush into anything.

Give your heart to your studies. Spend your leisure time with the students who are the most industrious.

Never say that this or that professor is no good simply because of a single report. If the professor is not for you, make up your mind to do some other work.

Avoid the temptation to write stories. The wise and learned are those who do not learn anything. Apply yourself, and bear in mind that you will be surprised how much faster you read and how much easier it is to understand a passage.

Avoid the temptation to talk too much. Make sure that you are heard and understood.

Avoid the temptation to make friends. The person who is always there is not the person who is worth any number of automobiles. There is no need for you to have friends among his friends. The person who is always there is not the person who is worth any number of automobiles.

Avoid the temptation to date too much. There is no need for you to have friends among his friends. The person who is always there is not the person who is worth any number of automobiles.

Avoid the temptation to be too ambitious. There is no need for you to have friends among his friends. The person who is always there is not the person who is worth any number of automobiles.

HAPPY DAYS ARE HERE AGAIN!

Battelstein's

University Week

Smartenly turned-out Rice men know that back-to-school means back to Battelstein's — the label of the college-bound for so long that most men here come as a matter of course.

And they find Texas' largest stock of young men's' clothes. This fall we welcome them to a larger and finer selection of men's apparel. You are invited to drop in this week and look through these smart university men's clothes.
Twelve New Plays to Be Taught Men

Coach Jack Moghul held his first secret practice with his Owl foot ball team yesterday in preparation for the season's opening Sateon with Rice. He is listed as being in charge of drawing the schedule for the season. The schedule has not yet been drawn, and the Owl coach has not yet decided whether the team will play any games in the Southwestern Conference. Moghul has been working on the team for several weeks.

The varsity men have been going through their routine during the past week with the determination of a team of Back field men who have been working on the schedule. The Owls have a good chance to win the trophy in the present year's campaign.

A dangerous play was put on Owls with the announcement that the schedule will be released on Wednesday.
