Rally Club Members Cheer for Femmes

Who are the Rally Club ladies? Are they radio announcers or actresses? Well, you can meet them in the front lobby of the sallyport today at 1 p.m. for a final practice before they enter the field. The student delegation on the speakeasy will go to Oxford in October. Announced last year.

Class Makes Plans for Prom Junior

The junior class officers have met to make plans for the Junior-Senior prom danced Wednesday night at the Autry house. The committee appointed to draw the maps for the prom is composed of students in good standing, and no letter grades have been given preference in the casting of the ballots. The tickets will sell for $1.10. For all others the price will be $1.75. Profits from this concession will be used to buy equipment for the band.

In Dallas Park at 2:30

Rice ranks as favorite to win the victory over L. S. U. team to start Alumnus will be feted at Dallas game.

Meagher's Team to Open Conference Saturday
In Dallas Park at 2:30

Rice ranks as favorite in the match of the teams as of now with only one victory in play. Coach Morrow and his Mustangs of Southern Methodist University have been guilty of seven losses this year and Coach Meagher's Owls have served to make the players in the Rice football team better by pure experience. In the two teams open the HSC conference this season.

Upshaw is the pride of the prohibitionism growing among the student body? Are Rice students overwhelmingly in favor of prohibition? Officials have announced that tickets to the football stadium will be given preference to students of Rice Institute. Selected students who are interested in law will be invited to apply for the next week as it conducts a poll on the candidates. The program was followed by a dance by Ed Williams, sophomore in the initiation was a musical program.

Kite Hunks as Favorite as Result of Last Week's Game, Wins this season with "only two or three. Dallas Alumni club is sponsoring a dinner for Dallas alumni and visitors.

The student delegation on the sallyport today at 1 p.m. for a final practice before they enter the field. The student delegation on the sallyport today at 1 p.m. for a final practice before they enter the field.
The Rice Thresher

EVENMENTAL 114

The Thresher, official newspaper of students at the Rice Insititute, Houston. Published weekly every Friday except during the Christmas vacation and final examination period.

Keepin After the Slim

The handling of slender physiques has been quite an improvement over last year, however, freshmen are now showing signs of firmness. Already a few of them have donned their dinky caps and adapted more becoming handkerchiefs. Many of them have already forgotten that they are freshmen. These should be brought back to a realization of their position.

Rice is a college and consequently should present to a certain extent, a collegiate atmosphere. The notion of freshness is one of the simplest methods of impressing outsiders with the fact that we have a student body as well as a fraternities.

When we say that the slimmness should be put through their paces we do not wish to imply that they should be unhealthy, on the contrary, a few pounds has been the general policy of the students this fall. The healthiness this year presupposes a marked change in their life as far as food and exercise are concerned.

The Slim meeting all freshmen in a special section at the football games in excellent order. There should be a group of a few mixed with these. Only a limited number of freshmen are included in the slim line. This group is composed of the athletic students.

The Slim should perform a good job on freshmen in the future.

Lost Social Library

The students are deprived of their last common meeting place, the Library. As the result of the fire of a week ago, the Library is out of order and the students are left without a place to read or study. This is a marked change in the social library.

The Library is out of order and the students are left without a place to read or study.

Scope of the Rice Line

The center of the Rice line will be "Red" Hassell, all-conference star last year, as well as "Sinokev" Klatunov or Herman Kushin. Both parrells and Miss Bennett give promises to excel all of its excellent players.

Pointing the way to the advertised brand

Many a "mate" made by advertising has gone to a competitor because the purchaser did not know where to buy the advertised brand. Telephone men evolved a plan to make it easy to find.

They created a "Where to Buy It" service in the certified telephone directory. This service, in the advertised trade marks — Buick, Googrich, RIA Victor, General Electric and many others — lists authorized local dealers. Thus telephone men complete the chain between advertiser and consumer. — the effectiveness of advertisements — help manufacture and dealers to increase sales — help consumers to get what they want because they apply vision to subscribers' problem.

SOLVD SYSTEM OF INTER-CONNECTING TELEPHONES
Owls Fight For 10-8
L.S.U.Win

By Staff Writer

In the pressbox, Mr. and Mrs. Smith were talking at the game. Mrs. Smith said, "I think it's going to be a close one." Mr. Smith replied, "I hope so, I don't want to lose." The game was played on a rainy day, with a strong wind blowing. The Owls were leading 10-8 at halftime. In the fourth quarter, the L.S.U. team made a comeback and tied the game. The game ended in a tie, 10-10. It was a great game and the fans were happy with the outcome.

Methodists To Fete Freshmen Members

For the first time in Methodist tradition, a special event will be held for the freshmen members of the Methodist church. The event will be held on Saturday, October 10th, at the Methodist church on Main Street. The event will include a keynote speech, a panel discussion, and a social gathering. All freshmen are encouraged to attend.

Dr. BLANK SAYS LITTLE PEOPLE ARE GREAT

"Our little people are great," Dr. Blank said. "They bring so much joy to our lives." Dr. Blank is a well-known expert in the field of psychology. He has written several books on the topic of little people and their rights. Dr. Blank believes that little people should be included in all aspects of society.

Mustangs Victors In Last Twelve Games With Rice

Twelve years have elapsed since the Owls lost to the Mustangs. The last time a Rice football team beat an S. M. U. eleven was in 1929, in Dallas, when the Owls won 10-0. Paul Neal kicked the first score for Rice when he placed one against the Mustangs. A thirty-yard punt from Dyer to De Priest and Dyer’s subsequent conversion accounted for the next seven points.

The first game between the two schools was played in 1912. In that game the Owls got their doses of football in the face of their opponents, who were holding a track meet. Before they realized their mistakes and began playing orthodox football, the game was along over and they had amassed a total of 161 points, as compared to the opponents’ 0.

"S. M. U. was better than Rice in but one department of the game, statistics show. In an interesting observation in the Houston Post the day after the game, that was with the forward pass." Apparently Football Owls, who were coaching the Mustangs that year, were the first to throw the forward pass even in those days. The Post lists the statistics of the three games netted them from 8 to 15 yards each in the forward pass.

The two teams met again in 1913 and 1914 and still lost to the Owls. Following is a list of the scores and the years in which the games were played:

1918—Rice 14, S. M. U. 3
1918—Rice 31, S. M. U. 14
1918—Rice 21, S. M. U. 1
1920—Rice 10, S. M. U. 0
1926—Rice 0, S. M. U. 20
1928—Rice 13, S. M. U. 53
1928—Rice 0, S. M. U. 32
1928—Rice 6, S. M. U. 12
1929—Rice 7, S. M. U. 7

Six Slimes Sign For Cross Country Team

Six freshmen have signed for the 1932 slimers cross country team. They have been working out since Friday. Those reporting are Lewis Brothers, a swift, leathery-juried runner from Lincoln High School; George splash, William Shevlin and V. Wilson. Clark entered at San Jacinto high last year and锴韦 came from the same team.

These men should be great assets to the freshman track team as they all have excellent high school records.

Ponies Will Defeat Owls Says Morrison

Dallas, Oct. 7—(Bp)• Coach Ray Morrison and he is quite confident his Mustangs will defeat the Owls in St. Louis. Inasmuch as the Owls have made its first score, contesting that his first two games were played in the mud and night, and therefore could not be rated, he believes he will score the true strength of his team.

"We are prepared for a defense against the Notre Dame mode of attack," he states, "and I anticipate little trouble in that department. The Owls have a game team, but I believe we are as strong as they are. As we have a defense against their types, I think they have shown none to ours."

Broad Intramural Program Planned At Rice For Year

The Department of Physical Education is planning a very broad and extensive intramural program for the present school year. Activities are already in full swing and students are availing themselves of the facilities offered.

During the first week that swimming facilities have been open for Rice students, many have availed themselves of the opportunity. In order to encourage participation in the Y. M. C. A. pool a student must obtain a permit from the office at the Field house.

The annual cushion bowl tournament is now underway. Play was started on October 6 and the champion will be announced soon.

The golf greens at the stadium are in good condition, except for a few spots which may need attention in the near future. The athletic office announced. Hess will be given the concession on cushions, and Knob has the concession on the sale of preserv and cold drinks at games. In addition to his cushion concession, Hassell holds the concession on hat-checking at the university club for Saturday night Rice dance. Knob has the concession on the sale of candies and smokes in the dispensarchy this year. John Coffee has been appointed head waiter of the mess hall this year. In addition to his cold drinks concession, Hassell has been put in charge of the crew that works about the field house every afternoon.

Hess, Hassell And Koch Are Awarded Main Concessions

John Hess, Lou Hassell, and "Bub- b" Koch have been awarded the principal concessions at Rice this year. Hassell has been given the concession on cushions, and Koch has the concession on the sale of preserv and cold drinks at games. In addition to his cushion concession, Hassell holds the concession on hat-checking at the university club for Saturday night Rice dances. Knob has the concession on the sale of candies and smokes in the dispensarcy this year. John Coffee has been appointed head waiter of the mess hall this year. In addition to his cold drinks concession, Hassell has been put in charge of the crew that works about the field house every afternoon.

Fall Campaign For Girls' Basketball To Be Announced

All Rice crowds, freshmen especially, who are interested in basketball are asked to watch all the bulletin boards for announcements concerning the fall campaign in regard to meetings and practices. Any girl who likes to play basketball will be a help to the team and there are positions needing many players.

RICE TENNIS CLUB TO HOLD BRIDGE

Instead of the welcome you planned for the Tennis club for the freshman co-eds there will be a bridge party given Saturday morning October 14, to help out the Art class. The affair will be at the Rice house beginning at three p.m.

Planes include door and score prizes, tennis, golf and swimming.

Further notices will be posted on the bulletin board at the Field house which will be published in The Thresher.

RICE TENNIS CLUB TO HOLD BRIDGE

Planes include door and score prizes, tennis, golf and swimming.

Further notices will be posted on the bulletin board at the Field house which will be published in The Thresher.

Sophomores Will Bid For Positions On Tennis Squad

Three promising sophomores from last year's tennis squad and two freshmen are contending for the position of the tennis team which was lost vacant by the graduation of Messrs. Sprague and Savich. The sophomores are Wilber Hess, John Harvey Lauterback and Robert contributions, Henry Holdman, John Savich and Bill Francis. The two men held over from last year's team are Bob Allen and Otto Hughes. Bob Holt, Winslow Conolly, and Winslow Carpenter will in all probability retain their positions on the team this year, although they may be closely probed by the other members of the squad.

"I am quite confident that we shall have the inside track in the struggle for the fourth position on the team. However, many members have already expressed their interest in the fray. In February and one of the other members mentioned expect to beat them out for the position. Another possibility is that one of the five competitive members may be placed for him on the squad.
Texas Longhorns, Aggies Favored For Conference Title

Coach Ernie Hjertberg is not very enthusiastic over the prospects of his cross-country squad this year. The strength of the A. and M. and the University of Texas harrier squads is one of the factors that will weaken by the graduation of last year’s squad, who finished first in the conference meet in Dallas. Coach Roy McLean’s squad was somewhat weakened by the graduation of Adolph Schiller, diminutive captain of the conference meet in Dallas. Coach Roy McLean’s squad was somewhat weakened by the graduation of Adolph Schiller, diminutive captain of the conference meet in Dallas.

The Longhorn team, captained by William Blaney this year, is almost as strong as it was last year, and it was strong enough last season to take the title in the conference meet in Dallas. Coach Roy McLean’s squad was somewhat weakened by the graduation of Adolph Schiller, diminutive captain of last year’s squad who finished first in the conference meet. The loss of Schiller, however, will be greatly offset by the advent of several sophomores, who have been working out regularly with the squad this year.

The Aggie squad finished second last year after having held the cross-country title for the previous two years. In Hector Fuentes, junior speedster, and LeRoy Sims, veterans from last years’ squad, have been working out for the last two weeks with the exception of a couple of rainy days. In these workouts they have been accompanied by 12 other prospectives who have been running the Hermann park course with them.

The others out for the team are Ed Pritchard, junior speed-merrier, and Odis Harris; East hall, Tom Driscoll; and Mike Hall. The others out for the team are Ed Pritchard, junior speed-merrier, and Odis Harris; East hall, Tom Driscoll; and Mike Hall.
RICE GRID SQUAD IS CUT TO 44 MEN

Group Is Reduced To Give More Time To Varsity Players

Forty-four men are listed on the new squad list of the 1932 Owl grid-
ders released by the athletic office Wednesday. The list released off the
beginning of the season contained the names of fifty-eight men. The cut
in the number of men on the official squad was made when it was found that the former group was too un-
readily. Reduction in the number of men will enable Coach Meagher to con-
centrate more effort on the more prom-
ising prospects on the squad.

The fourteen men who were not re-
listed still have the privileges of keep-
ing their equipment and coming for
practice and have been formed into an auxiliary squad, which will be coached
by one of the assistant coaches, prob-
ably Marvin Durstineberger. They will
not suit up for the games however,
any of them may be able to work up
to the regular squad, in which event
they will take the place of some falter-
ing brother in the favored unit. The
auxiliary squad will be helpful to them in
their effort to work their way into the
regular squad next year.

The complete list of the members
listed on the official squad released
by the athletic office may be found in
the accompanying box on page one.

Rice Field Turf Best in Conference

The game between the Loyola
Wolves and the Rice Owls next Sat-
urday afternoon will be fought on the
best conditioned field in the confer-
ence. There's not another field in the
conference that can compare with Rice
field as far as perfection of the turf is
concerned.

It has taken Doc Jack Shelton, familiarily known to Rice fans as
"Nigger Jack," two years to put the
field in its present condition. The field
was completely re-sectioned two years
two years ago. During the past summer it was
covered from one end to the other and
from one side to the other with ferti-
ilizer. In order that nothing should
be neglected to put the field in the
most perfect condition possible,
"Nigger Jack" has spent many hours
each week watering since school let
out last year.

As a result of his labors, the begin-
ing of practice this year found the
field covered with a down of green
grass as soft as an Oriental rug. In
fact the grass on the field was so soft
that the affable negro found it neces-
sary to trim it down to prevent the
football players' falling asleep on it
during time-out periods.

HOUSTON, TEXAS
Jimmy Kitts, Rice's new head basketball coach, intends to turn prof during the latter part of this month and tip off the Y. M. C. A. basketball players to some of the tricks he gleaned from eight years of coaching experience. Kitts is slated to impart all his inside information to the Y players on October 31, and November 2, 7, and 9. On each of these nights, Kitts will call his class to order at 7:30 and hammer away for a two-hour stretch, or until 9:30 o'clock.

Kitts is nationally known for his coaching ability, and, though a rather young man, is well acquainted with the fine points of the game. He will stress the fundamentals of the cage game during the four nights he is in charge.

Holly Brock, former cage star on the University of Texas team, will take charge on November 14. Brock will endeavor to explain away any doubts lingering in the minds of the Y members concerning the basket ball rules, and make sure that they are thoroughly acquainted with all of the rules.

C. H. Sherman, former Sam Houston High school coach, sometime during the earlier part of this month, will be put in charge of the basket ball school for boys. This latter school will be held on Tuesdays and Thursdays.

List of Holidays Is Given Out By Office

A list of the official holidays at Rice this year as given out by the office of the registrar are as follows:

November 24 — Thanksgiving Day.
December 22 to January 4 — Christmas holidays.
February 22 — Washington's birthday.
March 3 — Texas Independence Day.
April 21 — San Jacinto day.
One or two other holidays may be taken, however they have not yet been designated as official at the Institute.

SOVIET RUSSIA IS DEBATING SUBJECT

The Bice Institute Debating club will hold its initial debates of the year next Wednesday night at Autry house at 7:30 o'clock when John Baldwin and Robert Ford defend the affirmative and R. H. Lambert and Jack Roberts uphold the negative of the question, "Resolved, That the United States Should Recognize Soviet Russia."

At the club's meeting next Wednesday night, John Costley, Arnold Aronson, Jack Wharton and Edward Oppenheimer will each deliver a talk upon any topic that they have chosen and will then be voted upon for club membership.
