PROPER

CAMPUS:

The National Collegiate Athletic Association has made a generous donation of funds to the Rice Athletic Department. This donation is in keeping with the spirit of the Association as expressed in its recent resolutions. The donation will be used to finance the current athletic program and to improve the facilities of the Athletic Department. The Rice Thresher is proud to announce that this generous gift has been made by the National Collegiate Athletic Association.

Are You an Actor?

Do you ever think about what you would like to do in life? Are you interested in dramatic arts? Perhaps you have thought about acting before, or you may even be an onlooker. If so, you are not alone. Many students at Rice College are interested in dramatics. The Rice Thresher is here to help you get started in the wonderful world of acting.

Some students may wonder why they should bother with acting. Well, acting can be a very rewarding experience. It can be a form of relaxation and a way to express oneself. It can also be a way to meet new people and make friends.

Drama is a powerful tool for self-expression. It allows you to explore your own emotions, thoughts, and feelings. Acting can be a cathartic experience, helping you to release pent-up emotions.

There are many reasons why you might want to consider acting. Perhaps you enjoy storytelling or telling a story through your body language. Maybe you have a natural talent for mimicking others or for making people laugh. Acting can be a fun and rewarding experience.

If you are interested in learning more about acting, consider attending a drama class or workshop. You can also find acting opportunities through your college or university. Look for departments that offer acting courses or productions.

Remember, acting is not just for actors. Everyone can benefit from the experience of being an actor. Whether you are a student or a professional, acting can be a fulfilling and rewarding experience.

For more information, contact your local dramatic arts department or visit a nearby theater. They can provide you with resources, guidance, and opportunities to get started in the exciting world of acting.

The Rice Thresher is dedicated to supporting and promoting the interests of all students at Rice College. We encourage you to explore your passions and pursue your interests. Whether you choose to pursue acting or any other field, we wish you success and happiness in your endeavors.

Lent Program Is Planned By Cranmer Club

During Lent the Cranmer club has planned a special Lenten program to emphasize the phases of study, worship, and service.

In study during Lent is the plan of the club to build up a monstrosity, a study of the life of St. Paul's, England. Members of the club will study a series of readings prepared for each week and will discuss and harmonize their studies during the week. The discussion will be held during the week following an open forum on the study by Rev. Charles Sanders who will comment on the work done.

Leaders in the study group will be Dr. W. S. Underwood and Charles Smith. St. Paul's will be divided into four areas and the monstrosity on each part will be carried by a member of the club. The monstrosity is to be shown at the end of the Lenten period.

Each member of Cranmer club is taking the responsibility of studying at least one of the special services each week for worship and bringing some of his interest to the group the following week. On Monday at 5:30 p.m. there will be Ecumenical Lunch at 7 a.m. and 10 a.m. Holy Communion service, and for the study a monstrosity on the subject of the Holy Communion. Speaker for the afternoon will be Dr. W. S. Underwood.

The Cranmer club plans to continue the discussion of the Holy Communion service, and for the study a monstrosity on the subject of the Holy Communion. Speaker for the afternoon will be Dr. W. S. Underwood.

Tennis Club Plans Made

In a short last but not least receiving the Girl's Tennis club decided to hold tournaments since many busy weeks from March 12 to March 23. At each of these tournaments there will be one on Friday and the other on Saturday. Beginning with the meeting between March 12 and March 23 there will be one on Friday and the other on Saturday.

SOUTH TEXAS COMMERCIAL NATIONAL BANK

People know it...

"Chesterfields Satisfy"

Coal... silk stockings... meat—and the telephone

Kneady awareness of the problems of business, large and small, Bell System commercial men are constantly devising special telephone plans to customize service to the public.

For example, a plan they worked out for a coal dealer helped him to contact 10,000 more dealers. A manufacturer, using a telephone calling plan, sold 700 dozen pairs of hosiery through one Long Distance call. A great motor dealer handles complete sales and distribution problems efficiently with the aid of planned Long Distance and private.

Systematic telephone plans are helping many users to build business—cut costs—handle collections—and nationally nationwide organizations—increase profits. Bell System men are seeking other ways to make the telephone more useful.

CHESTERFIELD

Widely used by women because they're milder—and they taste better...
