Alumni will be welcomed at a meeting held on Tuesday last, June first, to be given at the University Club to-ward 7:45 p.m. The meeting was arranged by the Rice publications and the R. W. H. Club. The meeting will be made to see that the alumni may have a chance to meet each other and participate in the social life of the University Club.

Dr. Pennington is the head of the meeting.

Pennington is an experienced social worker and has been active in organizing and managing social events at Rice University. He has been invited to speak at this meeting to discuss the importance of alumni gatherings and to encourage alumni to participate in the social life of the University Club.

The meeting will be held in the University Club at 7:45 p.m. on Tuesday, June first. All alumni are welcome to attend and participate in the discussion. The meeting will be capped by a social hour, and refreshments will be provided.

If you have any questions or concerns, please contact the Rice University Alumni Office at (713) 971-3333.

Missouri to be
Flunker Haven
Under New Policy

Publication No. 24—The University of Missouri plans to solve the problem of
large enrollments in freshman and sophomore classes in which it will be impossible to
provide special courses in which it will be impossible to receive a failing grade.
The university, according to Dr. Frank F. Stephens, dean of upperclassmen, who
will be in charge of administering the new system, will show the students how
ability is to be tested in college.

A Prediction

After talking with many brothers, and other track
coaches, it is believed that the Rice team will
come in second or third place. The Rice team
has been working hard and is expected to do well.

Turning Your Back
Has A New Significance

The term "turning your back" is now used in
a new and interesting way. It is no longer
merely a gesture of defiance, but has taken
on a new meaning.

A FAN

Addiction to Smoking

The habit of smoking has become a serious
problem in modern society. Many people
become addicted to cigarettes, and the habit
is difficult to break.

A Solution

A new solution to the smoking problem has
been discovered. It involves the use of
natural ingredients to create a new type
of cigarette.

The New Cigarette

The new cigarette is made with natural
ingredients that are believed to be less
harmful than traditional cigarettes.

Conclusion

The new solution to the smoking problem
is a step in the right direction. It is hoped
that more people will try this new
approach to smoking.

that to mellow
good tobaccos

WHERE THE RARE WINES come
from they know that the two
most important things in wine-making
are the selection of the grapes
and the long years of ageing in
the wine cellar.

IT'S VERY MUCH THE SAME in
the making of a cigarette. You have
to get the right tobaccos, then put
them away to age and mellow in
wooden cases.

You can't make a good cigarette
like Chesterfield in a day. It takes
over two years to age the tobacco
for your Chesterfield—but it adds
something to the taste and makes
them milder.

Every time that modern Science
really knows about is used to
take Chesterfield the cigarette
that's milder, the cigarette that
matters better.
