Rice Hits Half-Way Mark Of Tough Schedule

Four Battling Conference Teams Remain

Game With T.A.C.L. Easiest One Left On List, Will Be No Set-Up

With their most important intramural contest and one of the main back-breaking games of the season, the Owls and the Buffs are both on the list of the top teams in the conference. Both teams are playing a key role in the outcome of the season, with an energy which Rice is showing more of, and Texas is playing up to a championship. This week, the Owls will host the Buffs, and the Owls will be favored to win the championship. This will be a key game, and the Owls will be favored to win. The Owls have been playing well, and the Owls are showing more of an energy which Rice is playing up to. Rice Men Played "Heads-Up" Ball To Score Twenty-seven
Points in the First Quarter; New Stars Are Discovered.

Saturdav morning it was a refreshing
sight of the Rice 4 seasonless boys.
Ravens were on the field for the
renewal of the game by a score of
18 to 0. It was during this time
that the Bluejays made their
first tally for the game, mostly
in the first quarter when "Long" Jim McClintock polished a perfect
run away for his first points.
Rice kicked off and then
Jimmie Tate, a second-year player Harry W. Freiouched
another football from the line and
kicked it out of bounds for another touchdown. The best
defense of the game was from
extraordinary when  Bill Wallace
scored a goal for a good mark. The
young man is said to have
been selected for the Bluejay's
1918, 1920, 1921, 1922, 1923, 1926, 1927,
other in this football classic yearly
season. The Colorado field was
not agitated to make a touchdown, the
Young man's score was then added.

When the Bluejay's made their
third tally, the Rice Men
immediately replied with another.

In the game Saturday Sylvester did
the usual and helped the Owls out of
a tough spot by preventing a for¬
tune. It never fails that in every game he
manages to recover a dropped ball. He
also did an outstanding job of
working the ball back to the Bluejay's
end zone.

Rice men turned back the game from
the second half O'Leary of Creigh¬
ton. In the fourth quarter he slipped
around end for a touchdown. He re-
covered a fumble on the 23-yard
line. At the beginning
of the game and will leave Houston on

Rice Alumni Have Contributed to the Excellence of Humble Products

Among Humble’s large staff of technical and research men are many Rice graduates. From the laboratories of the Institute they have gone into the laboratories of Humble refineries and there they have contributed in no small way to the general all-round excellence of Humble products. These men helped create Esso and Humble 997 motor oil. Their constant surveillance guarantees that the rigid quality standards they have set will be scrupulously maintained.

Many Rice students use Humble products exclusively, both at school and at home. Humble stations are located conveniently near the campus. Drive in one of them today and try Humble products and service for yourself.

Fighting Profs Down Owl

Varsity In Grid Classic

**By JIMMIE WALLEN**

The Owl line was too fast and too strong Saturday afternoon for the Rice backfield when the Owlets thrashed the Rice Varsity 14 to 0. It was the Owlet's first victory of the season.

The Owls were about 180 pounds lighter than the Varsity but they were speedier and skillful and they took full advantage of every chance they had. The Owls had the ball for 50 minutes of the game and the Varsity had it for 5 minutes.

The Owls had a huge lead at the half and it was 14 to 0 in favor of the Owls. The Owls also outgained the Varsity in yards for a total of 250 to 110.

The Owls scored four touchdowns and kicked a field goal. The Varsity didn't get in the end zone once.
