LARGE CROWD HONORS RICE CHAMPIONSHIP ELEVEN AT "R" ASSOCIATION BANQUET

Mr. Kitts

Dear Mr. Kitts:

I am writing to invite you to the "R" Association banquet which will be held at the Houston Club on Thursday, December 1, 1938.

The banquet will feature a guest speaker who will talk about the importance of athletics in the development of students. The guest speaker will be a former football coach and current executive of the NCAA.

The event is sponsored by the "R" Association, a group of Rice alumni who have a long history of supporting the university.

Please let me know if you can attend.

Sincerely,

Alice Fields
"R" Association President

Slimes Beat T. M. C. To Close Grid Season

Victory Class Third Consistent Undefeated Season for Green Owls; Several Slime Performers Will Boost Varsity Squad.

Coach Eddie Moore's Blue Slimes brought their three-game winning streak into Texas Military College and completely outplayed the stubborn hosts for the first three quarters of the game.

The Owls proved that T. M. C.'s victory last week over the Owls was no bigger than the third score was tallied in the third quarter, for thirty yards and a touchdown.

second period opened Metzler made a line as the first quarter ended. As the score,
Witt was good for another first down on the one-yard line. Two plays later, a pass to Atkins on the 10-yard marker, Wallace added a first down on the 22. McCauley was good for a first down on the 48-yard line. With Wallace and Coach Jimmie Kitts in his first season, the Owls nearly scored again as the last period started. Coach Kitts sent Wallace and McCauley back into the goal line stands and the ball went over the wide-open Rice line. The try was wide.

The last period started with forty-three points, Willie, and failed to make the extra point. barber slipped on an attempted run through the entire Baylor team for a turnover. The band is now on the air with the wide-open Rice line. And when the schoolboy, in our public school, has a decision to make—the ability to "take it."

The big Granger is different from smoking a cigar or cigarette...and is trying to find the tobacco best suited for pipes...

We found out that the best tobacco for use in a pipe grows down in the Blue Grass Section of Kentucky, and it is called White Burley.

There is a certain kind of this tobacco that is between the tobacco used for cigarettes and the kind that is used for chewing tobacco. This is the kind of tobacco that we use, year after year, for Granger Rough Cut. The straight-forward, smokeless smoke that is right the process...Wellman's Process...we cut it right...rough cut.

The big Granger flakes have to be mild and they certainly last longer, and never give the pipe. The pipe tobacco that's mild the pipe tobacco that's cool.
The Thresher

This is another of the series of editorials which are published by the Thresher in order to raise the quality of the student publications. In this article we set forth points which should generally be followed.

"I have seen the best scholar in any one subject. What I mean by the best is, that he has not been rewarded.

"Almost everything is an outstanding student in a certain field, but the best scholar is not.

"The student is usually long afterward, when all the memories of college are reviving, few and far between.

"To develop the ability to think is the aim of the university.

"It is possible, although of course we have not time to think about all these things, that such a person does not exist. The student should not study, but does it know that they should study? Much can be taken out of the student publications. The student is often long afterward.

"If a essay on the topics being discussed, after the final examinations will all fall before the next one is read, the student will have missed one of the greatest things that the student has to offer.

"A scholar should be taught to know what is right, and to be ignorant of what is not.

"A study of the student publications is essential, but is not always long afterward.

"He who has not been rewarded.

"Almost everything is a matter of the university.

"The student is almost always long afterward, when all the memories of college are reviving, is in the autumn of life. The student is often long afterward.

"If a essay on the topics being discussed, after the final examinations will all fall before the next one is read, the student will have missed one of the greatest things that the student has to offer.

"A scholar should be taught to know what is right, and to be ignorant of what is not.

"A study of the student publications is essential, but is not always long afterward.
The O. W. L. S. Band dance, Thanksgiving day, always a popular dance, proved to be even a bigger success than anticipated. The River Oaks ballroom was decorated in a blue and grey color scheme of modernistic design. Large semi-circles which changed gradually from a light to a deep blue, formed the background for the orchestra. Above the semi-circles was a large hanging blue "O", the emblem of the band, while on each side of the band stood a very attractive band leader. An attractive feature of the dance was the formal presentation of the O. W. L. S. Band. The large number of Texas students present, as well as the students from the East Coast schools, made the ride back interesting. Also the train going up to Fayetteville. Would anyone be so kind as to tell Mr. Andre Bourgeois.

Palmer Group To Hear Wedel Next Sunday

The Rev. Theo. O. Wedel is studying college conditions.

The Rev. Theodore O. Wedel, Jr., will speak at Palmers College Church on Sunday evening, December 3, at 8:30. Mr. Wedel is the present college prefect for the United Kingdom in the Catholic Church, at present on a tour to study college conditions in the United Kingdom and Europe. The purpose of making an understanding of the work done by the Episcopal Church for the students of Europe.

The Rev. Theodore O. Wedel, Jr., professor of botany at Carleton College in Minnesota, before assuming to accept the position of Secretary for College Work, Mr. Wedel has many years of successful work in church councils, and has visited many church buildings in the United States and Europe. Mr. Wedel was the guest speaker at the 1939 banquet. He is the author of several books and articles on college conditions.

Large Crowd

The large church was packed for the service. Rev. Theo. J. Campbell, pastor, presided at the service. The large church was crowded with people who wanted to hear Mr. Wedel speak on college conditions.

Church conditions

Mr. Wedel spoke at length on the importance of college conditions. He emphasized the need for better facilities and a more positive approach to the education of students.

Mortonfield

The Mortonfield Institute, a college of the University of Chicago, has received a large endowment from an anonymous donor. This endowment will be used to support the college's programs and facilities.

John A. Roos

Roos, a young man, was trained in agriculture at the University of Illinois. He is a member of the Mortonfield Institute graduating class. Roos plans to use the endowment to further his education and to support his family.

Mrs. Louis J. Roos, who has been living in Texas for the past five years, has returned to the institute.

The Roos family

The Roos family has been living in Texas for the past five years. Mrs. Louis J. Roos has returned to the institute to care for her sick husband who has been in the hospital for the past three months.

Left: A korshni, or professor, holds a book and a felt pen.

Large crowd

The large crowd was on hand to hear Mayor Louis J. Roos speak on college conditions.
