Sigma Xi to Hear Dr. W. Johnson Monday Evening

Physiographer to Talk About Carolina Crayfish

The third annual meeting of the Phi Beta Kappa Society will be held at the Rice Institute by President Squire H. Handley, Ph.D., and Dr. W. Johnson Monday evening. The meeting will be held in the Physics Amphitheater before the Rice Chapter of Sigma Xi, national honorary scientific society, according to Dr. George S. Barden, secretary of the local chapter.

The Carolina crayfish will be studied as a case study in Dr. Johnson's speech and the scientific studies of the problem will be pointed out. He will also outline the work which they seem to enjoy most and the philosophy of the animal's place in nature. The discussion will be followed by a question and answer period.
