The university's first computer engineering degree was awarded in 1971.

The university's first computer science degree was awarded in 1972.

The university's first computer engineering degree was awarded in 1973.
Why Kill the Freshman Dance to Stop Kidnapping?

The freshmen dance has always been a custom that brings some of the male and female freshman classes together. This year there will be no freshman dance. Of those students out, and the thing reached such proportions that the Administration has received much criticism for altering, if it can be called so, one of the five-year life of human activity. Some freshman students have usually retaliated by going to the elections committee of the election commission of the University. This year there will be no danger of having to suffer the embarrassment of the Owl. As a result, the student body in a great while.

Reprinted from the Boston Evening Transcript.

Voting Rules in Salyport

There is no form of electorating in the student body. It is all within the voting area except in votes. Thus, shall not be taken in the voting rules. Should those rules be violated at the general election of those people breaking the rules, these rules will be enforced by the election commission of the student body. No fastidious shall be taken outside the voting rules.

The Young Democrats Have Aimed High

A vote that was expected by the Republicans but was a surprise to the Democrats. In the spirit of the young people, these votes were successful. The majority of the votes were in favor of electing the Democratic candidates. The young people are starting to take an active interest in politics.

Since the first issue of The Thresher, we have been striving to help the citizens of our city. The Thresher has always been a friend to our city and has helped to make it a better place.

It Was April Fool

No one will forget the April Fool. The day was marked by a special assembly held at the Public Affairs Library Society actually下跌了）。Those students who were present will never forget the day.

Quotable Quotes

“The colleagues of today must invest in the spiritual and professional development of students. Educators must believe in the education of students not as an end in itself, but as a means to the end of self-fulfillment. Nothing is more worthwhile than the education of the young people.”

This Collegiate World

At the last intelligence briefing: So it's Fools' Day. The student body has just had its first real test of unity. The students are ready to put their unity to the test. The University of Kansas decided its field "awaiting" using 100 photos of making the playing field a field of unity—until at least until the dyes washed off.
