Proceeds To Swell Senior Class Funds

Following the lead of the Male Pops, the female contingent will present the year’s last and biggest regular Saturday Night Dance in the honor of the annual meeting of the Delta Tau Delta Friars of the Rice Hotel, according to Billy Farrar, president of the Student Social Council. The Rice Roof, small, opened by the student presentation of the Freshman Dance, has been closed by the dance committee this year since the traditional freshman football game has been changed this year in favor of a Cinco de Mayo Ball.

Kit Reid will be the emcee, a role he recently filled by the dance committee for the homecoming dance. Kit will emcee, a role he recently filled by the dance committee for the homecoming dance.

The dance committee has announced that the dance will feature a variety of musical styles and performers, with a focus on Latin music. The evening will begin with a grand entrance of the student body and will feature a cozy and intimate atmosphere.

Westmeyer Defines ‘isms’ In New Book

Dr. Russell E. Westmeyer, instructor in philosophy, has published a new book, "The Nature of Contingent Truth," which provides a comprehensive analysis of the nature of truth and the role of contingent truth in human knowledge.

In the book, Westmeyer explores the idea of contingent truth, which is truth that is not necessarily true in all possible worlds. He argues that contingent truth is an essential part of our understanding of the world and that it is necessary for the development of scientific theories.

The book is available for purchase at the Rice Bookstore and online through Amazon and other retailers.

Tangute, Living With Mexican Artists, Sits and Looks at Them

By Steve Highwood

Huntington, Texas—The annual Tangute Art Show and Sale opened its doors today, featuring works by local and international artists. The exhibition, which is held at the Tangute Art Center, showcases a diverse range of artwork, from paintings and sculptures to photographs and installations.

The opening reception was held last night, attracting a large crowd of art lovers and enthusiasts. The exhibit will be open until May 30th, and admission is free to the public.

The Freshman Dance That Isn’t a Freshman Dance

For some reason, namely a lack of deserving, the Freshman Class will not conduct the freshman dance this year. In the past, the Ripe bunch has been a veritable mine of talent, which the Freshman Class has been able to call upon for a good show. This year, the Freshman bunch has kicked these little dances out of the Freshman Class list. The senior bunch has already been found wanting in this respect. The Freshman Class will conduct the dance this year, and it is being arranged by the Student Association.

The Band Needs Dressing Up

Rice has prepared its musical instruments to the best of its ability. But, as far as the uniform of the band is concerned, it is a far cry from what it is supposed to be. The band has been dressed up at some time or another, but the general looks of the band are not up to the standard of a good band.
