GET-ACQUAINTED DANCE
HELD AT FIELD HOUSE
THIS SATURDAY NIGHT

Palas Athene Literary Society Sponsors
First Dance of New Term; Informal Affair
Lasts From 8 Till 12; Inexpensive Drinks

Here's some special news for all you fellows who have been wanting to get acquainted with that cute I'll gal you saw in Sallport the other day and for all gals who would like to make that 9:1 ratio a more friendly one. Here's a chance for every Rice student to meet the people they see in class every day and to have a grand time doing it! The PALs are sponsoring a dance this Saturday night. March 30, at the Rice Y. You give one big good time. The field house is the place; it's strictly sport in the air and the juke box will hold away from 8 to 12 with loads of good records.

Among the revolutions feature, cola's will be just a nickel instead of the usual 5c in d a pop. If you are one of the lucky few who can afford to have a lot more than you can use, you may buy a change in a 5c cup or with your wife, date, or whatever else you can find.

Serious, though, in a school as small as Rice, we try in to ourselves and to our school to get together and to get to know each other better. That always been the custom at Rice and it's been a big help in boosting our school spirit and in promoting the many good times that we Rice kids have. Those of us who are here now have been Rice-practically from the time we knew how to tumble or write our name, or with your wife, date, or whatever else you can find.

Saturday Night Dance deserves special recognition and the PALs deserve a big hand because they are giving this dance for the one and only purpose of getting acquainted and for profit. Dick's rules the fun; we'll be seeing every- body at the field house on Saturday night!
The first and only all school election of this term will be held Monday, 1 April for the purpose of electing six new members to the Student Council and three new members to the Honor Council, two of the most important organizations on the Rice Institute campus.

Let's begin with the Student Council. It is written in Article II of the Constitution of the Student Council that: "The purpose of the Association shall be to unite the student body as come within the province of the student body." There is one primary, basic substance behind the success of the Student Council in their purpose: the election of competent and willing and able members. The Honor Council is one of the integral parts in the organization of the student body. Its function is primarily the fulfillment of the honor system and as such is an important requirement of the success of the Student Council. Monday shall be the privilege, right, and respective duty to vote in the all school election. Let's make this election one of the most successful ever at Rice.
