Dean Weekes speaks...

Noting president of the Student Association, Dean Weekes said, "I believe there are far too many eager students who are too quick to make decisions. Wedding is just one decision that must be made. I believe in the time for better times. It is a time for better decisions. We must be careful about who we marry."

The rally will feature speeches by the student body leaders, and the students are expected to participate in the traditional cheers and songs.

Owls Set For Steer Invasion; SWC Title May Rest on Clash

When Coach Dean Xerexes (followed by his own Tom Tennessean) Ohio brings its highly touted football team to Austin Saturday, it will be the top game of the day in the nation. The teams are heavily favored to maintain their mighty undefeated streaks, but there are still some fanatics for the Ohio State Buckeyes and the Tennessean Volunteers, who have never met over the past 50 years.

Lacrosse and Co. being a term all the Ohio State fans use for Ohio State, is applying for a special football field to be used on Saturday. The field is expected to be used for the first time in the history of the lacrosse-coach's career.

In discussing the accomplishments of the lacrosse-coach's career, his Founder, Mr. A. W. Johnson, said: "We are confident that the Ohio State Buckeyes will win the game and clinch the Southwestern Conference title."
Sales were a number of functions by the Freshmen that were entirely the pajama parade, the shoe scramble, the tug-of-war across the bayou, and kidnapping of the Sophomore Class president before their wholehearted participation in the activities.

On that night there had been released several and in reality only subdued in the volunteer functions—the wearing of green bow ties, red suspenders, and slime caps, and a pajama parade.

There remains a non-hazing rule which limits the Freshmen functions to only the voluntary activities. At the beginning of the year there was an honest, well-motivated effort to bring back the spirit of relationships between the Freshmen and Upper Class, which was met with only half-hearted enthusiasm.

Last Saturday evening a Freshman class spirit was planned for between halves at the game which was looked forward to by the public and students alike with the apparent assurance of the Freshmen who in the past have thought it great fun. However, instead of having one of the two qualities mentioned above, it was quite the opposite. The exhibition put on by the Freshmen was a sight, shared a gross lack of sportsmanship, and quite destructive to the whole Freshman Class. Another such exhibition by the Freshmen or a continuation of the present attitude of these newly-arrived freshmen will make certain the present school and its having graduates of students of Rice Institute.
INTRAMURALS OFF TO A BIG BEGINNING IN TENNIS AND FOOTBALL WITH MORE COMING

NO MAJOR UPSET IN TENNIS

There were no major upsets in the intramural tennis tournament this week as the No. 3 player on the end of the day who won all four of his matches, winning the championship. The only upset came in the final match when″T″ defeated No. 2 player in the tournament.

National Title for Heisman Trophy

The Heisman Trophy, awarded annually to the outstanding college football player, was won this week by Ken Strong, fullback on the Texas A&M Aggies. Strong, who has been considered one of the top players in college football for the past two years, led the Aggies to a 7-0 victory over the Texas Longhorns, winning the Southwest Conference championship.

Sudary Smerf Soph For Sunday Victory; Score 12-0

The Hilltoppers continued their winning streak this week with a 12-0 victory over the Lincoln-Macon College Owls. The Hilltoppers dominated the Owls, scoring all of their points in the second half of the game. The Owls were unable to score, despite a strong effort by their defense. The Hilltoppers' defense was led by star linebacker Matty Bell, who recorded two sacks and an interception.

Rice's Memorial Trophy

Rice Institute's Owls opened their bid for the 1941 Southwest Conference football championship last Saturday by defeating the Southern Methodist University Mustangs 20-0 under the lights of Rice stadium. The Owls got off to an early start, and the final tally was 20-0 in Rice's favor in the last quarter.

The Owls' win included three touchdowns, one of which was scored by tailback Don Kirby. Kirby, who has been a consistent performer for the Owls, scored on a 30-yard run late in the fourth quarter. The other two touchdowns were scored by end Bob Stovall and tackle Jimmie Love.

In summary, Rice's win solidifies their position as one of the top teams in the Southwest Conference. Their next game is against the University of Texas, and they will need to be at their best to secure a conference victory.
