Office Holders

Not long ago elections were held to elect students to fulfill class officers, offices in student government and publication offices. Each one a position of honor, importance and responsibility.

For all those who won, the excitement of winning is new and past and they have found that there is a little more to holding an office than that which first met the eye. They have found that there is a great deal of responsibility and a certain amount of work to be done.

It would do each individual, who won in the election, well to stop a moment and take stock of himself in respect to the office of work to be done. An office than that which first met the eye. They have found each one a position of honor, importance and responsibility.

Office Holders

They must remember that the student body is as good as its office holders. It would do each individual, who won in the election, well to continually effort to do even better.

TIME TO CHECK WINDSHIELD WIPER BLADES
After last-summer's hot and dusty mileage, your car's wiper will need a checkup. It hasn't got the pep, the squeegee appearance, the spring in its pounce it had last May. Time to tackle it to your Humble station for a check-up. These services are essential after a season of hard driving.

TIME TO CHECK BRAKE AND BATTERY CABLES
The call was to regular customers: "Check battery and cables. Your battery may be dead." Then the cable may be damaged. To help you, the battery may be dead. This is why the service was done to your Humble station. These services are essential after a season of hard driving.

The Rice Owls out of the West have been doing a great deal of talking about winning their first game and not one has actually been won. With the 2-4-73 tie between Rice and Southern Methodist, the Owls will be tough to beat. The Owls need to take care of business in their annual homecoming which has been moved up to next weekend. The Owls are still tied in the West with the Texas Longhorns, and they can't afford to lose. The Owls have a tough game this week against the University of Texas, and the game will be played in Austin. The Owls are confident that they can win the game, and they will be looking to get their first conference win of the season.
