VET NEWS

Mr. Cordill announced that any student veteran who is registered on campus, or coming in this fall, will be registered for the campaign and the Student Council will present another traditional Saturday night dances at the Light Guard Armory, 8816 Caroline.

Entrance Exam For NROTC Candidates To Be Held Saturday

The military college has announced that entrance exams will be held on Saturday for the NROTC program. Interested students are encouraged to attend.

Miami Discolor . . . One Person's Impression

After the Orange Bowl, the Miami cheerleaders showed their gratitude for the support of Rice fans by hosting a reception for the students who had attended the game. The reception took place at the Orange Bowl Stadium, and the students were treated to a variety of beverages and snacks.

Admission to basketball games will be 50 cents. Rice students will be admitted free. Rice students will be admitted free.

The library has just been given $25,000 from the Campanile Foundation. A few special grants have been made to the library, but the funds will be used to purchase books and equipment.

One thing, we might despair of hop-}

Balloting Tables In Sallyport and M. L. Building: Choose 18

Elections will be held today for Continental favorites from 10:40 a.m. to 2:00 p.m. Balloting tables will be located in Sallyport and in the auditorium of the M. L. building.

As of now, Balloting tables will be established at a date and time for the benefit of all students. The Student Council will be present at all tables.

Rice students will be asked to vote on the Orange Bowl, as well as on other issues. The elections will be held in the following locations:

- Sallyport: Balloting tables will be located in the main hall.
- M. L. Building: Balloting tables will be located in the auditorium.

The election results will be announced later today.

"Cyclopedia of Law And Procedure" Given to Library

The library has just been given a copy of "Cyclopedia of Law And Procedure" by Professor James B. Hall. The book is highly regarded and will be a valuable addition to the library's collection.

Attention Veterans

The nationwide competitive aptitude examinations for the American Educator's "Orange Bowl" will be held on Saturday. These exams are designed to prepare students for future careers in the field of education.

One person's impression.

"It was a fantastic experience. The students were热情 and enthusiastic. I think the event was a huge success and will be sure to return next year."

The two lectures delivered Tuesday night at the Light Guard Armory will be repeated Wednesday night. The lectures will be given by Rice students, who will discuss their favorite topics.

Elections have not been pre-
The recent rainy spell has, at least, been fortuitous to the attention of everyone the deplorable condition of our campus walks and the parking lot which is located across from the Chemistry Building.

Everyone has certainly experienced a walk on one of the campus walks after a rain and no matter how careful one has ended up with wet feet, or muddy feet and mud-splashed trousers of loose denomination even how much rain has fallen. Rainied shoes and a cleaning bill is the result.

The condition of the parking lot is such that it is almost hazardous to drive your car into the lot and then even after parking it is impossible to emerge from the lot without being mud-splashed.

Yes, the result of walking in slush after a rain is a wet, muddy, and nasty road with a result for a remedy is evident in everyone's mind but nothing is done to rectify the situation.

It is said that the walks are gravel and the color they are, but nothing can be incorporated into the concrete.

A. K. parking lot? Perhaps a surface crown causing the water to run from the grass to the walks and rolling legs depending upon how much rain has fallen. Ruined shoes and a cleaning bill is the result.

It has been noticed that the name campus walks after a rain and no matter how careful has ended up with wet feet, or muddy feet and mud-splashed trousers of loose denomination even how much rain has fallen. Rainied shoes and a cleaning bill is the result.

The condition of the parking lot is such that it is almost hazardous to drive your car into the lot and then even after parking it is impossible to emerge from the lot without being mud-splashed.

Of course the parking lot is not desirable but there is a need of refer- ring to the color as a reason for not changing for almost any color can be incorporated into the concrete.

Perfection is not possible but there is a need of refer- ring to the color as a reason for not changing for almost any color can be incorporated into the concrete.

Of course the parking lot is not desirable but there is a need of refer- ring to the color as a reason for not changing for almost any color can be incorporated into the concrete.

Let's Do Something About It

BELL TELEPHONE SYSTEM

UP FROM THE RANKS

These presidents of operating telephone companies of the Bell System. All started at the bottom of the ladder... Nine years ago the Bell System first published an advertisement like this, except that there were many new officers in the pictures. These new presidents also started at the bottom.

The Bell System also keeps the opportunity for advancement.

One of the traditions is that its executives come up from the training corps. That has been true of the business for many years and now the system is better illuminated than in the careers of the men who now serve as presidents of Bell Telephone Companies. It is estimated that in the past 11 years of telephone service, an average of 25 years each.
