**RETIREE ENDS CAREERS OF FOUR PROFS**

Under a new plan of retirement devised by the board of trustees, four members of the Rice faculty will leave the campus this year.

Miss Alice Dunn, Dr. R. A. Wilson, Dr. W. L. Stone and Dr. Max Prewett will retire under the new plan.

Miss Alice Counsel Dunn was a member of Rice's first graduating class of 1918. An historian and mathematician teacher, she has been distinguished for her devotion to her work. In fact due to her resiliency and effort that a much-needed new library will now be added to the campus.

Dr. Harold Burt Wilson, a noted psychiatrist, was one of the research scientists on the atomic bomb. As a member of the faculty since its founding, he has been a respected member of the Rice staff. In 1950 he took a leave of absence to serve at the University of Wisconsin, Madison.

Dr. Stone, a native of Kentucky, is a member of the faculty of the University of Kansas. As a student at Kansas, he was one of the 29 schools in the country to become a member of the Rice Association.

Dr. Pattie is quite enthusiastic about his new position. By 1931 he had been an instructor in psychology, and his work in the field has been recognized by others. He has written several articles on the topic of learning and teaching in Germany.

**ASS'T. PROF. PATTIE GOES TO TOP POSITION AT U OF K**

Dr. Franklin A. Pattie, the retiring and colorful psychology professor who has held various positions at Rice for over twenty years, will be moving to the top position at the University of Kentucky.
