Rice Tops Baylor, 21-7, To Cop SWC Championship, Bowl Bid by Ted Lockhart

The Rice Owls' football team made it a clean sweep last Saturday afternoon in defeating Baylor, 21-7, for the Southwest Conference Championship. It was the first unbeaten Conference squad the Institute has produced, and the fourth Championship won by Rice.

Baylor's light line started fast, and, with Adrian Burk hitting five for five, the Bears scored the first time they got the ball. After that, though, it was Rice hitting five for five, the Bears on the bench, it would have been the valuable man he is.

One of these thrusts was aided by a pass interference penalty called against Rock Weatherly and placed the Owls on the 34 yard line. Pressured by the defense, Weatherly fumbled his throw and Riley hit it on the 28 yard line. His receivers were well covered, and the Bears were forced to try to pass it as they did quite a few occasions.

For the Bears, the grand play of Smith and Moore in the offensive scheme of the Parker brothers and the offensive gestures of the Parker brothers and the Bears were outstanding. The Owls played the game of their career at defense. Burgess, the kicking man, was outstanding. His 25 yard field goal from the 25 yard line, Section 21.

Dr. and Mrs. Houston extend a cordial invitation to all new students, including freshmen and transfers from other colleges, to an open house on the Rice campus, from noon to three in the afternoon of Sunday, December fourth, at the president's home.

Rice Owls' football team and member of the Honor Council; and Raymond Sonny Wyatt was the wheel horse of the Owls, running a big line. His plays on the 28 yard line, followed by a 28 yard punt, and Williams subsequent scramble was the turning point of the game. Park then was forced to pass, and was rushed hard. His pass was off target, and the Rice Toman was forced to try to pass it as they did quite a few occasions.

For the Bears, the grand play of Smith and Moore in the offensive scheme of the Parker brothers and the offensive gestures of the Parker brothers and the Bears were outstanding. The Owls played the game of their career at defense. Burgess, the kicking man, was outstanding. His 25 yard field goal from the 25 yard line, Section 21. Stu-

Collier's Chooses Froggie Williams

In this week's issue of Collier's, which came out today, Froggie Williams was honored by the American Football Coaches Association as their choice for an end slot on the All-America team. Made up of over 300 coaches who send in reports on the performance of potential All-Americans, this organization said some pretty nice things about "out-Froggie", all of them justly deserved by the great Waco lad.

The article pointed out that there were many players who had caught more passes this year than either Williams or Leon Hart (Notre Dame and who took the other terminal post) but having three "specialists" on the team would weaken it as a unit since not only are the two ends the great Waco lad. made against SMU was the offensive exhibition I have ever seen by an end." Notice was also made of Williams' automatic point-after-touchdown conversions and his ten-second field goal against T.U.

Slaughters on solidarity in France. Rath

Trends to solidarity in France and Germany. His comment was made by Dr. Fulton.

Big business prospers and grows in the present political situation in the United States to historical political trend in France and Germany. His speech emphasized the development and left it to the audience to view toward centralization than did the other speakers. He traced the present political situation in the United States to historical political trend in France and Germany. His views emphasized the development of Marxism in Germany and the trends to solidarity in France. Rather than stating any definitive views on the question of national centralization, Dr. Slaughter presented the facts connected with its development and left it to the audience to form their own opinions.

Predictors Give Notre Dame 35 Over S. M. U.

The TCU Horned Frogs, finishing the season strong over SMU last Saturday, 21-13, and also gave the predicting team of Martin & Lookhart another miss. The season record now stands at 26 right, 5 wrong, and I lie for one percentage of .838. This week only one game is of importance to Southwest Conference fans. The TCU in their looking forward to the Fighting Irish with Bank Walsrly probably not at full speed, if they play at all, and with still no adequate replacement for F & U Page's defensive halfback post, Notre Dame should have an easy time of it. The Mustangs may hang on for the first half, but make it Notre Dame 35, SMU 0.
