Students Greet Alum
Jack Glenn at Airport

Jack Glenn, senior director of March of Time, Rice alumnus of the class of 1926, and ex-Rice cheerleader, arrived in Houston Tuesday afternoon, and was greeted by an enthusiastic crowd of old friends and students. As he stepped from the Eastern Airlines plane, a student band under the direction of Karl Kangus, burst into "All For Rice's Honor." Mr. Glenn was accompanied by his wife Althea and his two children, Christopher and Patrick. Upon leaving the airliner, the children were presented with white caps and pennants by Judy, Diane, and Stephen Ley, son and daughters of Wendel Ley, President of the Association of Rice Alumni. FOR CHARITY

Old Men, Students, Students

Today in the Old Men, the Student Council will play the tagged retention of the faculty that have arrived practice.

The Student Council will probably be in better shape, because they haven't had but three workouts before the game.

The Faculty have been grilling bonfires for over a week, and, amazingly, enough, some remain.

The Student Council will be gathered in "blue" t-shirts, gray shorts and tennis shoes. The Faculty will have white "t" shirts and some colored shorts and tennis shoes. There will be no formal arrangement until, possibly, after the game.

Prizes will be given away fires, but admission will be fifty cents for only one person per person.

There will be the west end of the stadium. For the game, that is.

Details of the new formation—whichever it is a capital or lower case, the new "epsilon formation" will revolutionize football.

Student Council defensive tactics are centered around efforts to stop the Natural Whirlers, the New Jersey Tower, leading the team in passes attempted.

Student Council team Captain John L. Moore, who will start at Left Outside, commented "We play a rugged brand of ball. The boys are in the best shape of the season. There's a five dollar bet to get Dr. Smith out of the game. My boys are out to win."

HOMECOMING DANCE

Daddy Dowd's Orchestra will play for a semi-formal Homecoming Dance tomorrow night after the A&M game. Sponsored by the Student Association, the dance will be held from 9:15 at Temple Emma. Tickets will be $2.50 at the door.

Rice Architects Win Prizes

In Design Contest

Three Rice students were among winners in a state-wide competition for student architects in which $2,000 in prizes were paid for the best building designs incorporating advanced techniques in the use of expanded shale aggregate lightweight concrete.

Winners in the intra-college competition at Rice were William W. Perry of Clayton, Mo.; John W. Hill of San Antonio and Harry Schroeder of Racine, Wis. The students received awards of respectively, $150, $200, $50.

The competition was sponsored by the Texas Society of Architects and The Featherlite Corporation of Dallas. The Featherlite Corporation, the South's oldest and largest producer of expanded shale aggregate, is headed by Jack Frost, president, and Alex T. Mistle executive vice president.

The three winning designs were selected at the recent AIA convention in the North, by the A&M University architecture department, Mr. Miller, has studied radio riding and direction since 1931. Their names are: Rice University, Polytechnic Institute and Rice University. The students were: Rice University and Texas Technical College.

6 Sextant Sponsors Red Cross Blood Donation Drive

The Sextant, Rice ROTC club, is sponsoring a drive within the Navy unit to donate blood to the Red Cross Armed Forces campaign. The blood donated will go to the wounded in Korea.

Guest Ticket Changes

A PETITION in the Student Lounge advocating a change in the policy on guest tickets has accumulated approximately 1000 signatures, representing majority of the students. This petition recommends two changes: that guest tickets for home games remain on sale until two days before the game and that the price be lowered from $3.60 to $1.20.

The matter of the price of the tickets is out of the hands of the Rice Athletic Business Department, that being a matter of the Rice Board of Trustees. The matter of the closing date of the ticket sale, however, is quite definitely under control of the Business Department, and Athletic Business Manager Emmett Brunson.

Following an editorial in the Thresher two weeks ago and the spontaneous student reaction to the petition, Student Association President Hal DeMoss went to see Mr. DeMoss to ascertain the facts. The facts, as related to Mr. DeMoss, are as follows:

- A section and a half or two sections—depending on the game—are withheld from public sale for the benefit of the students until a week before the game. The tickets that have not been taken up by students at this time are then placed on general sale.

The Thresher in some injustice to people who have been told earlier that only end zone tickets are available. At no time, according to Mr. Brunson, have students purchased the tickets at their disposal.

In short, holding open the sale of student tickets to home games would work an inconvenience on the students. The Thresher feels that in the matter of the sale of student tickets, particularly Rice home games, the convenience of the students of The Rice Institute is of paramount importance.

Ten drunk alumni standing in a line. One grabbed the bottle. And then there were nine.

Game time, main time, park your cars here! Fifty cents a person and a stopper for your ear.

March till you stumble, then rest a little while. Wave your Rice pennant, and smile, darn you, smile!

If you've got the guts, man, you'll reach the gate. Gird up your loins for a thirty-minute wait.

Nine drunk alumni waiting at the gate, One lost his ticket. And then there were eight.

Watch the fat lady with the wide, meaty grin. A left to the ribs, your appendix is slipping.

Climb up the ramparts and stumble to your seat. Wriggle through the maze of a thousand tangled feet.

Here come the players to the scene of the battle. Cheer, you enthusiast, cheer till you rattle!

Eight drunk alumni saw the blue eleven. One took a bromo. And then there were seven.

Time for the kick-off, take your positions! Arms up, thumbs down, death to the Christians.

Seven drunk alumni getting in their kicks. One frowning wife came. And then there were six.

Programs, programs, read all about 'em! You can't tell the players from the goal posts without 'em!

Rice song, fight song, the roar and the rumbling. God knows Jericho's walls must be crumbling.

Six drunk alumni "rockin' to the jive," One burst a tonsil. And then there were four.

Screaming yell leader with the megaphone voice. Stand when he tells you—master and slave.

Five drunk alumni added to the roar. One crushed a pom-pom. And then there were three.

Here come the heroes out of the huddle! How's the "years between you and the grave.

Four drunk alumni, airy and free. Two found some Bourbon. And then there was one.

This sporty student really tee'd off on a long tirade when he found himself stymied on the "single puff" and "one sniff" cigarette tests. "They're strictly for the birdies!" said he. He realized that cigarette mildness requires more deliberation than a cursory inhale or exhale. Millions of smokers concur — there's only one true test of mildness and flavor in a cigarette.

It's the sensible test... the 30-Day Camel Mildness Test, which simply asks you to try Camels as your steady smoke on a day-after-day, pack-after-pack basis. No snap judgments! Once you've tried Camel for 30 days in your "T-Zone" (T for Throat, T for Taste), you'll see why...

After all the Mildness Tests...

Also at halftime, Jack Glenn will present his son with his old cheerleader's uniform. His son will then put on the uniform and lead the student body in a cheer. Teddy Montz will present Mr. Glenn with a gift.

There will be an after-game reception for all Alumni at Cohen House. The Canterbury Club is sponsoring an open house and dance after the game until 7 PM for the A&M Canterbury Club and Alumni.

Several of the candidates for Homecoming Queen were present as representatives of the Rice coeds. The reception was arranged by Mrs. Ruth McCauley Graham, general chairman of Homecoming activities.

Shad E. Graham, ostensibly representing "Goofeytone News," persuaded Mr. Glenn to speak before a microphone. In addressing the crowd, Mr. Glenn said he was touched at the reception, thanked everyone present, and expressed his fervent wish that the Owls will beat the Aggies Saturday.

The offense-minded Texas Aggies will be at Rice Stadium tomorrow afternoon to do battle with the big Blue team from Rice. The Aggies last week absorbed a 16-14 tie with the lowly SMU Mustangs to stay half a notch out of last place in the conference. Their conference record stands at two wins and two ties.

Owls Need Win

The Owls need this one badly to stay in the running with conference pacing TCU. A Horned Frog loss to Texas would be a definite plus for the Owls, who are still unbeaten in the SWC. However, the Owls have just about decided the Conference race.

The Aggies, starting fast, slowed down abruptly when the Conference wars began. One of the best running backers in the league, consisting of Glenn Lippman, Bob Smith, and Henry Clark for a score. Joel Taylor made the A&M yard toss from quarterback Atchley held. However, shortly after, Lundstedt fell on an Aggie fumble on downs.

Slimes Drive Halted

Formerly the most potent offense in the conference, the Owls displayed a defense that thoroughly stopped a potent Hog attack, and an offense that sputtered against the huge Razorback line, but came through when the chips were down. Names? Burkhalter, surely. The same that Tri-Captain Billy played against Arkansas is the outstanding performance turned in by an Owl in the new stadium. Dan Drake at quarter, now definitely established as the number one man. Kosse Johnson's superb punting. Then the defense, Sheldon, Chap- man, Hudson, Burke, Schubel, McCurry, Broughton, Tradeway, Northcutt, Silver.

TCU and Rice have emerged as the contenders for the conference crown with Baylor having an outside chance.

The rest won't have much of an aftertaste.

The fired up Owls kickled off to the Aggies, lost forcing them to punt without gaining a first down. A 33-yard return in the Aggie 59 by Dickie Muggle put the Owls in scoring position. From here the Owls drove to the Aggie 9, only to fumble there.

Aggie Fumble

But the Smiles were making their own breaks, and three plays later O. T. Halliday covered Virgil Patt's fumble on the Fish 33 after Patton had been stopped by unusually hard tackling.

This time, only quarterbacked by Proctor, the Owls drove to the special of last week scored correctly and here is the special of this week. Texas 14, TCU 7.

The Owls were not finished, though. Again Halliday was there, picking off one of Hennig's passes on the Rice 40.
