College System's Non-Resident Associate Masters Are Named

Non-resident associates have been named for each of Rice's five colleges, according to an announcement from the masters' office.

Non-resident associates are faculty members who, though they will not reside in the colleges, will serve as advisers, counselor with masters of college business, and students in social functions of the colleges.

Baker College

At Hanson

At Hanson College, the following associates have been appointed: Professors Robert I. Bland, Carroll Cassen, Alan J. Chapman, A. L. Davis, J. W. Hodges, Floyd S. Lewis, John B. Wilkinson, Leo B. Ryan, and W. Shelton, Frank E. Vanderschuren and honorary Arnold A. Wilson.

Jones College's associates are Professors George R. Bird, Harald A. Wilson, and Charles Williams.

Weiss College

Will Rice College has named Professors W. B. Boyd, James L. B. Commins, A. E. Craig Jr., J. B. Giles, Mike V. McKee, Donald R. Meacham, David C. Parson, Franklin W. Warn, and Jurgen Wess are associate professors. Dr. A. A. Transeau is the honorary associate.

Rally Club Blast

Set Saturday

The Rally Club will give it another try. For the first time since last year's cancellation of the former Bums Bash, Rally members will hold an all-school dance called the Rally Club Jamboree. It's scheduled for tomorrow night — Saturday from 8:30 p.m. to 12:00 a.m. The place is the Greek Orthodox Church Hall at 3011 Youkam Blvd.

James B. Westmoreland and the happy housewives will be able to dance to the Jolly music of Buddy and Poo-Woey Dee. The tab is $1.50 per person, and we are all grateful that plenty of beer will be available.

SMU Game is Holiday Date

Rice students will receive a holiday on October 19, the day of the Rice-S.M.U. game. The game will be played at 2:00 p.m. on October 19, at 302-214 over Oct. 26, the Texas Game, in an all-school election held Monday, October 10.

Many Riceans favored the S.M.U. Weekend, as this would give them the opportunity to attend the State Fair of Texas which will be in Dallas at the time.

McNeely Announces 'New Look' For 1957 Rice Band

By MIKE McNEIL

The Band is off to a flying start this year, with seventy-two members, thirty-three of whom are freshmen.

They will be performing at all home football games this year, and in addition will make trips to the SIU, TCU and Texas contests; after football season is over, they will perform at all home basketball games and quite probably at Rondelot and the Alumni Reunion.

Special Plans

Of particular interest is their performance at the Stanford Band Festival, all the principal songs of which will be played, plus of course, Stanford's.

The band will form itself into an outline of the Southwest Conference area, and in addition into a special California design.

The Band this year will have a very different look from that to which we have become accustomed: cadence has been slowed to about Army quick-time, and the band marching has undergone a general expansion and diversification, with definite leaning to a more military style.

Officers Named

Officers, this year are: Larry Baker, president; Norman Manc, vice president; James Bergquist, business manager; and Gene Ferrell, drum-major.

Holmes McNeely continues as director, Alice Carmichael is bass twirler; Sue Carroll Brugier, Chita Middlebrook, Franzi Westley and Mary Novick are her cohorts.

Band practice is held from 4:30 to 6 p.m. Tuesday, Wednesday and Friday in the Band Room, in the basement of Hassencollege.

The first pep rally of the year preceded an all-school dance in the upper masses of the stadium last Thursday night. Freshmen Warren Problems, Judy Collins, and Jeff Wilcox entertained the Boy Scouts. Dick Bettes took the long route home via New Orleans and Pat Obrien.

Peace of Mind Given To Engaged, Married, Etc.

By MARGIE MOORE

S o that this column may be read with peace of mind by the thundering hordes of engaged, married, divorced and deceased who did not find their names in last week's issue, I want to now extend congratulations to Mamie Jane Goldstone, engaged to Mike Taylor, Vina Yvonne Crackwich married to Harold Rickney, and the remaining nameless thousands.

The first pop rally of the year pounced an all-school dance in the upper masses of the stadium last Thursday night. Freshmen Warren Problems, Judy Collins, and Jeff Wilcox entertained the Boy Scouts. Dick Bettes took the long route home via New Orleans and Pat Obrien.

The Band Festival plans a beach party in Freeport Sunday but the downpour in Houston discouraged all but hearty Frank Drickell and Mary Lou Sauer, Clarence Gray and Be Wilbanks. However, they forgot a minor item... their bathing suits, which spoiled their hopes for a swim... or did it?

'Congratulations!' To Little Rock

We congratulate the members of the white mob at Little Rock. If violent defiance of a U.S. court order calls for congratulations, we congratulate them.

If displaying animosity, vileness, and neo-baronial calls for congratulations, we congratulate them.

If spitting on, cursing, or attempting to do physical violence to dark-skinned high school students calls for congratulations, we congratulate them.

If giving the city of Little Rock a notoriety which will live in the world's memory with that of Devil's Island and the Black Hole of Calcutta calls for congratulations, we congratulate them.

* * *

President Eisenhower's action in ordering federal troops to the scene was the only sensible thing he could have done. A court order was obstructed. A proclamation to cease and desist had been ignored. If the mob had ruled, then several thousand years of what we hope is human progress would have been for naught.

Rice Boys Unhappy

We hear complaints that life on campus at night is not what it used to be. And the blame, it seems, lies with Little Rock.

In the old days, when women students lived off-campus, the library thronged with femininity at night. And then the boys were happy.

But now, the girls exile themselves in the plush seclusion of their million-dollar college, rarely appearing in places at which they can meet, cheer, and inspire theorerated male population. And now the boys are unhappy.

The final blow has been struck—male visitors are no longer welcome in the environs of stern Jones College, unless they have dates.

So we plead—on behalf of boys everywhere: girls, grace the library with your presence these lonely days.

That Roadblock!

Last week's editorial requesting that the Rice Boulevard entrance to the stadium lot be opened had not even appeared in print when the gate was taken down.

This leads us to one of three conclusions:
1. Administration spies are sneaking into our offices reading our editorials before we print them.
2. The power of The Thresher is so great that at the slightest hint that we had taken offense, the Administration hopped to correct the situation.
3. The Administration had planned to take the gate down anyway.

The third, we fear, is most likely—and we offer commendation to whoever was responsible for the offensive gate's removal. And hope it stays down—at least until this editorial sees print.

The Rice THRESHER

The Rice Thresher, written and edited by students of the Rice Institute, is published weekly in Houston, except in the summer, holidays, and in examination weeks. The opinions expressed are those of the students whose names appear with their contributions. They do not necessarily reflect the opinion of the Administration of the Rice Institute.

Rice Doctor Gives Rules on Asian Flu

To the Editor:

To date, influenza has been mostly hysteria, not cases of Asian flu, in Houston.

Suggestions for the prevention and care of the common cold pr.

1. Avoid over crowded public places.

2. Keep in contact with persons with colds.

3. There should be plenty of rest, plain meals, and plenty of hot water.

4. Keep in contact with persons with colds.

If symptoms persist, consult your doctor.

Diagnosis

Each resident and non-resident member of the Student Health Service is to be kept to exact grades to reduce mask wearing, but this must be done only by prescription with the knowledge of the physician in charge.
THE THROWER

Owls Trim LSU In Opening Game

By Bob Malinak

After knocking on the goal line door throughout the third quarter, the Rice Owls came through with two last period touchdowns to tap the Tigers of LSU 20-14. Led by King Hill, Raymond Chilton, David Kelley, Pat Bailey, and Buddy Dial, the Big Blue reared back from a 14-0 defeat with a tremendous rally late in the second quarter and continuing throughout the second half.

Big Bang

LSU started off with a bang in moving 67 yards to score the first time they got the ball. In the second period the Owls moved 67 yards in four plays to put the Owls two down. Jim Taylor and Don Purvis were the leaders of the Tiger drive.

Rice broke the ice late in the second quarter on a 43-yard drive. The big play was a 32-yard pass from Hill to Dial on a wonder pattern that set up the third, punted, kicked the extra point.

Second Half

The second half was all Rice with the Owls gaining 255 yards to 20 for the Tigers.

On the third play of the fourth quarter Frank Ryan came through again last Saturday and boasted a quick 14-0-advantage. But for the remainder of the game LSU almost deserved win.

Swimmers Asked To Attend Meeting

There will be a meeting of all boys interested in the freshman or varsity swimming team on Friday, Sept. 27 at 5 pm in Conference Room "A" in the gym. This is an important meeting and you are urged to attend if at all possible.

Chilton Leads

Chilton led the Rice ball carriers with 97 yards. Kelly had 76 and Bailey picked up 61. Hill completed 8 of 13 passes and Ryan hit 2 for 2. Stilz handed in four passes for 104 yards.

The Owls got terrific line play after the early Tiger barrage.

Tennis, Too

The tennis teams start meeting Tuesday thru Thursday. First, too, with Erlichman Jim Bower back to defend his crown, the deadline for entries is October 8, so scrammer down to the gymnasium and plop down your 50 cents and ask for "two eyes" dead eye! And Bower will probably get blasting Bob Nelsen to help him in this 4-to-a-game series!
