King Hill's 55-yard touchdown run from scrimmage in the third quarter was the final act in a driving 8-minute, 44-second touchdown drive from the Aggies. The Owls came into the game with a 7-3 record and were hoping for their first winning season under head coach A. E. Croneis, who is a member of the Athletic Hall of Fame.

The Rice Owls, who are a member of the Southern Conference, will host the TCU from Texas in a football game on Saturday, November 2. The game will be played at Rice Stadium and is expected to draw a large crowd, with the Owls currently leading the conference with a 5-2-1 record.

Owls Swamp Frogs: 1 Down, 1 To Go

The Rice Owls have won both games against the Baylor Bears this season, with the recent victory coming on Saturday, November 2. In the previous game, the Owls defeated the Bears 20-0, with both teams having scored touchdowns in the first quarter.

Houston Chosen Senator Candidate

President Houston announced his decision to run for the Senate, stating that he is seeking the nomination of his party and that he will work to ensure that the issues of the writer and which are of concern to student leaders are brought to the forefront of the campaign.

To set the facts straight, Dean McBride was not present at the Council meeting, as was implied in the Thresher story. All opinions and quotations attributed to him were obtained from a second-hand account of a conversation between the S. A. President, McBride, and the Dean, which was reported by the S. A. President. Direct statements from him were mistakenly expressed in The Thresher story as his own.

The word "harassment"—or anything like it—was never stated by the administration spokesmen.

Rice Owls Championship

The Owls are assured of a trip to the Southwest Conference championship after the Owls defeated the Tigers 20-0 on Saturday, November 2. The Owls are now 7-2-1 on the season and are in contention for a spot in the conference championship game.

The Owl defense led the way, with senior defensive end George Brown showing his leadership by blocking a punt in the second quarter of the game. The Owl offense was led by quarterback Larry Durnett, who threw for a total of 241 yards and 3 touchdowns, setting a new school record.

Rice Owls Future

The Rice Owls are on track to secure a spot in the Southwest Conference championship game with their 7-2-1 record and strong defense. With the Owls' performance against the Tigers, it is clear that they are a force to be reckoned with in the conference.

Rice Owls Varsity Football

The Rice Owls varsity football team is in the midst of a successful season, with a record of 7-2-1. The team has won three of their last four games, including a 20-0 victory over the Baylor Bears on Saturday, November 2. The Owls are now in contention for a spot in the conference championship game.

Owls Set To Hit Bull's Eye Line

The Owls have set their sights on the University of Houston, with a 7-2-1 record and a strong defense. The Owls are currently in contention for a spot in the Southwest Conference championship game and are looking to make a statement against the Cougars.

The Owls are hoping to continue their winning streak, with a victory against the Cougars on November 23. The Owls will have to rely on their strong defense and a consistent offense to secure another win against the Cougars.
Owlets End Season With 1-2-2 Mark

Sixty-seven fans were on hand as the Rice Owlets and Baylor's Cubs sloshed to a 7-7 tie last season with a 1-2-2 mark.

Cagers Open With New Mexico A&M
The tall and talented Rice basketball team opens its season next Monday night against New Mexico A&M. Game time at Assembly Court is 8 pm.

The Owl schedule, which in-
cludes 18 home contests, also has
the cagers hosting highly regard-
ed Oklahoma City University on Friday night, December 6.

The Starting lineup for Coach Don Siuano probably will be

Temple Tucker (90'4) at cen-
ter, Tom Robbillion (6'9) and Gary Griffiths (6'9) at the for-
wards, and Gorry Thomas (6'3) and Dale Ball (6'9) at the guards.

Ever meet a fanatic?

He's got just one thing uppermost in his mind. He's looking for a job he's thinking of opportunity, challenging work, train-
ing, professional associates—things fanatic never bother to consider.

He's got just one thing uppermost in his mind. If he's looking for a job he's thinking of opportunity, challenging work, training, professional associates—things fanatics never bother to consider.

The Bell Telephone Companies have a book-

let for reasonable men. It's called "Challenge and Opportunity." It's not the sort of thing that'll make a fanatic's eyes light up, but it ought to interest a thoughtful young man—whatever his college background—who is weighing career possibilities. Get it from your Placement Officer or send the coupon.

Super Sub!

It's been said that the atomic submarine "Nautilus" stays submerged so long that it only surfaces to let the crew re-eat.

For this reason, the Navy has taken valuable space aboard the "Nautilus" for the only self-drinking vending machine in the entire submarine fleet.

Naturally (or you wouldn't hear about it) it's a Coca-Cola machine! And not unexpectedly, re-inventions are quite remarkable.

Hugged by those submariners. Great deal of Coke!

Bottled under authority of The Coca-Cola Company by

Elections...

(Continued from Page 1)

This week's Thresher, concern broadening the general scope of the Honor System. Other changes requested by the Council are merely procedural.

Polling places Monday will be in the usual spots from 8 am to 1 pm and blanket taxes must be presented to vote. Only freshmen vote in the fresh elections, but the others are all-school.

Chamber Music With Vigor

To an overflow crowd in the lecture lounge last Wednesday night, the Lyric Art Quartet gave an energetic performance of works of Haydn, Prokofiev, and Schubert, the first of four concerts for the season.

No one was disappointed; this group now familiar to the Rice campus played with its customary precision and zeal.

The attack and finesse of their ensemble playing has never been better. Mrs. Eichhorn played with all her usual vigor, if perhaps a little more roughly than usual; and Miss Davies again demonstrated her rare combination of the qualities of virtuoso technique and complete understanding of the requirements of quartet playing.

The programming was unusually good.

The host of similarities between the Haydn "Sunrise" quartet and the Prokofiev opus 92 accentuate the different intentions of the two composers and suggest the vast range of expression which the string quartet can accomplish.

Next Concert

We are delighted to have the Lyric Art Quartet back at Rice for another season. The next concert of the series will be given January 9.

Rice students are advised that string quartet performances anywhere are hard to come by, and performances of this quality are rare indeed. But if they want a seat, they'll have to go early.

Chances are that next year even the 500 seats in the new auditorium will soon become inadequate.

—P. M.
In a recent election Ed Keasler was elected Councilman of Wiess College. Keasler will represent Wiess College on both the Inter-College Council and the Student Council.

Will Rice College
The Will Rice College constitution has been drawn up. Copies of it are available to members at the main desk in the library, in the Will Rice Commons, and from the cabinet members. On Nov. 26, Will Rice will vote on the three seals that have been proposed as the college emblem.

Will Rice will have its Christmas party on Thursday, December 19. Watch the bulletin board for details on this event.
