One-Acts To Appear Sunday

Players Set Triple-Header With 'Boor,' 'Lottery,' 'Rosalind' By MAUREEN O'LEARY

The three one-act plays to be presented by the Rice Play Association on Sunday, May 16 and 17, will provide both comedy and suspense to all who attend.

Starting the entertainment will be "The Boor" by Chekov, a situation comedy dealing with a question of domestic fidelity.

Next "Rosalind," by James Barrie, will be acted with Jo Feld, star of the summer rep company, and directed by Judith Keene.

Following the completion of the one-act plays, the Players will go on vacation for their annual scale production of this year, Shakespeare's "Macbeth."

It will be presented out of doors on campus May 14-15.

Page, Dearmond, Phair Top Queen Contenders; Referendum Fails

By PAM HOFFMAN

Duchess and class council have been announced for the Bicentennial pageant and the queen will be revealed at the dance May 3 at the Houston Club.

Carly A. Dearmond, Phyllis T. Phair, and Ann Page received top votes in Monday's election and ten boys will be crowned queen of the pageant, Senior court members are Annita Fite, Nancy Head, and Duchess Eleanor Moore. Junior court members will have a reverse due date at a later date.

"Classevs vs. college" in the 1966 Campanile was decided Monday by the defeat of the referendum that would have given the Student Council the power to change the seating of pictures in the yearbook.

In one of the most controversial issues this year, the student body gave the edict to the Campanile and the college system a vote of confidence.

Voting on the referendum was class, and as a result, 356 for and 366 against passage of the proposed measure. A simple majority was sufficient to allow the student body to proceed with the plans for the Campanile for 1968.

Legal existence was given to the Inter-College Council Monday by an overwhelming vote of the Student body, but the Student Activities Committee has declared the necessity for a revote in the next general election.

At the Bicentennial, the Rice community was aware of the amendment as passed, a new vote should be held on the measure immediately for the sake of clarity.

County Fair Set March 21 by SLLS

By HUGH S. HUDSON

Fair is the forecast for the third week of March, the SLLS will hold their annual County Fair at 7 p.m. on Tuesday, March 21.

The Student Council decided to send the amendment back to the SLLS for another vote after the SLLS failed to secure the necessary majority by a large margin.
All College Elections
To Be Held April 1

By DON PAYNE
College Editor

Following the recommendation of the Inter-College Council, the five colleges have approved Tuesday, April 1, as the general election date for all College elections.

The voting will be by machines which will be located in the Penny Library cloister. Blanket ballots will be required.

Petitions will be due at different times, depending on the individual colleges. Petitions for individual colleges. Petitions for all offices in Hanson, Baker, Rice, and Jones will be due on Saturday, March 22 at noon. Will Rice petitions are due March 26. Only Vice President Eleanor Mengden, and Adviser to Women Paul F. Loomis will be due on Saturday, March 22 at noon.

Rice will be due on Saturday, March 22 at noon.

Petitions for all College elections will be due at different times, depending on the individual colleges. Petitions for all offices in Hanson, Baker, Wiess, and Jones will be due on Saturday, March 22 at noon. Will Rice petitions are due March 26. All run-offs will be held on Wednesday, April 3.

Change in Dorm Rules

The following communication was received by the ICC from the Administration:

"Pursuant to the February 7 action of the Inter-College Council in suggesting certain revisions to the rules of residence in the colleges, you are informed that effective this date rules 1 and 2 are revised to read as follows:

- 1. The wiring in the colleges, particularly in the older college buildings, was not designed to sustain a major utility load. For this reason, no continual use of lights, radio and TV, and fans can be permitted. The use of electric irons and the like must be at a minimum. Air-conditioning units, outside antennas, refrigerators, coffee-makers, hot plates, and the like may not be installed.

- 2. For reasons of sanitation and cleanliness, the storage of food in college quarters is allowed only if kept in closed, insect- and rodent-proof containers.

The proposals of the Inter-College Council for certain changes in rule 3 with regard to visiting hours in the colleges are under consideration. You will be notified promptly upon approval of any changes in this rule."

YR Barbecue Set
For March 17

On Monday, March 17, a St. Patrick's Day Barbecue will be sponsored by the combined Young Republican Club of Houston. The admission is only $1.00, and includes all you can eat. Speakers will include Jack Porter and Louis Elders, Mayor of Bellaire.

St. Patrick, it is said, drove the snakes from Ireland. Money from the barbecues "will help drive the snakes out of Texas politics," said the YR Committee.

Tickets may be obtained from Bob Shubinski, JA 9-9110 or Richard Hughes, MO 7-2038.

Rifle Team Sets Sights High
A round-robin tournament starting April 1 is planned for rifle teams of Hanszen, Jones, Will Rice, Baker, and Wiley.

It is sponsored by the Intramural Sports Committee.

Four men and a captain will be chosen by each college for its team. Games will be judged on the total number of points earned by the opposing teams.

Each participant will be allowed to shoot 15 rounds; five rounds standing, five kneeling, five prone. What handset will be given Jones College has not yet been decided, because some are in favor of waiting to see how well the girls shoot.

The Institute's rifle range will be used for the tournament and the hours will be arranged by the different colleges. Everyone is invited to come and watch the fun.

Test your personality power
(Give your psyche a workout)
— Adler a little!

1. Do you think all coeds should be required to wear the new "sack" style dresses? (For men only!)

2. Do you think of a "square" only as a term in Geometry?

3. Do you go to see foreign films just for the plot?

4. Do you think the study of Home Economics is all a girl needs for a happy married life?

5. Do you question this statement: "The best tobacco gives you the best smoke."

6. Do you sit as far away as possible from the prettiest gal in class in order to concentrate better on your studies?

7. Do you think your professors are too lenient in grading exam papers?

If you answered "No" to all questions, you obviously smoke Camels — a real cigarette. Only 6 or 7 "No" answers mean you better get on to Camels R B. Rich, et al., as the greatest thing alive. Anything's good enough!

Have a real cigarette — have a Camel
Can You Justify It?

Rice students are confronted with a difficult problem which it is up to them to solve. The problem is that student cars are monopolizing the area in front of the homes on streets around Rice. For about five hours a day, residents of this area are prevented from having any guests since there is no parking space.

The problem is difficult because the streets are public places and there is no law against anyone's parking there. The area in front of the homes on streets around Rice is public places and there is no law against anyone's parking there. It merely is up to them to solve this dilemma by creating a "No Parking" sign that would destroy the value of the street to homeowners as well as to outsiders.

Admittedly, it is a long walk to the stadium lot. But it is not so far away from the off-campus streets where students now park. Is it fair for us to commercialize Rice's neighbors because of our own inconvenience?

We sincerely hope that each of you will see it as he can justify the hardship caused each time he barricades someone's home.

Unsung, Unhonored

Unsung, unknown, and unhonored to an extreme degree—but performing one of the most valuable services at Rice—is the staff of The Rice Engineer. These sturdy Spartans, struggling against almost unbelievable financial difficulties, publish a slick-looking quarterly of from 44 to 68 pages. They distribute over 1000 copies free of charge to high schools and engineering corporations across the U.S., providing an effective means of showing one of Rice's contributions to the nation.

The Engineer is presently occupying the APO cubby-hole next the Thresher office. No office space is planned for this hardworking group in the new Student Center. This is an injustice to an group who provides a real service to Rice.

We know they are hardworkers, because the constant cluster of their typewriters keeps Thresher staff members awake on the

We Still Wonder

Recently, we visited the campus of another Texas university.

It did not have the beauty of Rice, its buildings were not superior to ours, there was nothing which detracted from our belief that Rice is one of the great universities of the United States.

But then we noticed that the college we were visiting is beginning to share with many other universities a form of progress that Rice does not have.

We saw students in classes who had not been denied admission because of their race. We saw all the trimmings of the desirable results that accrue when reasonable people attempt to rid themselves of inherent prejudices. We saw a university which is coming to realize that the power of the brain is a more important criterion for selecting students than the color of the skin.

And we wondered if Rice were as great an institution as it ought to be.

The Rice Engineer

The Rice Engineer, written and edited by students of the Rice Institute, is a monthly publication of Rice students, except for the summer, during holidays, and in examination months. The views expressed are those of the students whose name is signed thereto and do not necessarily reflect the opinion of the administration of the Rice Institute.

The engineer feels that putting the power of the Campanile directly under the control of the Student Association would not be conducive to the publication of a good yearbook. I maintain that the best result will be achieved by an independent Board of Directors which is to be elected by the students.

Appropriately the editor feels that putting the power of the Campanile directly under the control of the Student Association would not be conducive to the publication of a good yearbook. I maintain that the best result will be achieved by an independent Board of Directors which is to be elected by the students.

Important

If these desires are expressed in a general election by the student body and enforced by their duly-elected representatives, then this is democracy, not Fascism, as the editorial asserts.

I believe that the Campanile staff has a moral obligation to serve the reasonable wishes of the student body. The Campanile was never intended to be a censoring organ, leading the battle for reform. The Campanile does not mean that the yearbook must become stagnant. It would be much "the pettiness" is no way to win adherents for a cause. A

The editorial also alleged that the officers of the Campanile pledged to resign if their proposals were not accepted. How childish, to say the least! Furthermore, it appears to be an "unwarranted attack at mass blackmail."

Herculean Task

Perhaps it would be a Herculean task to make a major change at this time. But this could have been solved simply by bringing up the matter earlier. Why should the student body be punished for the Campanile staff's blunder?

Must future student Associations be forced to go through a time-consuming committee in the Campanile office because they can't get their staff to keep the Campanile staff's blunder?

No Monopoly

In short, the Campanile is a student publication, not a "universally owned" nonprofit organization. It has a moral obligation to serve the student body, however the editors must communicate with the Student Association for its own protection. In the future, let the staff keep the students informed of proposed major charges in the yearbook.

In this manner, I believe that the staff will find the students to be quite cooperative in promoting the best possible yearbook.

David Shoemaker

1. The Thresher injected no threats or insults into the issue. It merely reported what had occurred and attempted to appraise the results of the referendum in the light of what had been done.

2. It remains The Thresher's belief that it would not be conducive to the publication of a good yearbook if editorial material were constantly subject to student disapproval.

3. As noted The Thresher's belief that the question of colleges and classes is a minor editorial detail.

4. The word "Fascist" was used by a Campanile staff member, in quotation marks, and so attributed.

5. "Petty Whim" refers to the nature of the question and the students' sincerity about it makes the issue less petty.

6. The Thresher has never impugned the authority of the Student Association to regulate publications. But we believe that major and minor issues must be distinguished, to upset total war over a pen scratch.

—The Editor

Navy Picks Moore

Queen of 7 Seas

Queen of the Seven Seas Margaret Moore was chosen by a vote of the NRTOC members to reign over the 1958 NRTOC Queen Pageant which was held at Sylvan Beach Saturday night, where she also won the privilege of a dance with Capt. Bannow, after the crowning.

A Charlotte High School student, Winker, Rhoda Mann, Mary Lacey, Eleanor Mengden, Carolyn Satterwhite and Nina Mann were elected Princesses of the Pageant, one for each, pres-
Burlesque Proves Reynolds Can Read
By PHIL BARBER
Several facts about Author Miller Reynolds are extraneous appar- ent before watching the PALS burlesque of last Thursday and Friday nights. Mike takes Psych- ology 100, Philosophy 100, English 893, etc., and if you don't know who his roommates are, you didn't listen very closely...

All this proves is that personalities enter too easily into a student-written and produced show. The off-color jokes and Fred-Axel taunts are amusing to the audience, but only embarrassing to the innocent little freshman girls who have to de- liver the lines... If we were to consider only the smoothness of production and acting, and the professionalism quality of the writing, then the PALS burlesque must run second to any production of a standard re- torical musical.

From Refreshing Moments
Nonetheless, there were re- freshing moments when the PALS show demonstrated much higher quality than conscious crudity, for oddly enough, the funniest scene had little sex but much310 humor in Reynolds' handling of the ladies' bird pro- tective society and their crusades against the threatened congrega- tion of girls by the nasty old black crow. It was quite good and certainly above the level of most student pro- ductions.

Any art musical is often a veh- icle for the most popular, old- est, prettiest, and often, least talented girls of the club. Fortu- nately, the PALS ladies were all both charming and capable.

Conclusion: an uneven, but gen- erally enjoyable performance, probably the best of the 8 pro- ductions this year.

Fencers Planning Lubbock Trip
The fencing team is hard at work preparing for a trip to Lub- bock, Texas, where the NCAA National Fencing Championship matches will be held March 21 and 22. The team will consist of Dave Dillehay, epee, Willy Rogers, saber; and Mike Sim- mons, or Bill Landfield, foil. They...will be accompanied by their coach, Mr. Harold Van Buskirk. This is the peak of intercollegiate fencing and a good opportunity to put Rice ahead nationally.

The fencing team has made a fine showing so far this year with five first-place trophies, nine second-place medals, and seven third-place medals. The captain, Dave Dillehay, has qualified in both epee and foil for the National and Sectional AFLA Champion- ships.

Leonard Price and Frank Fanetti (lah, lah) are the leaders in the handball-type of games at present. Do you remember the time Mr. Gramman took on Sir John? Murder on the Ceiling.

Mr. Gramman was murder on that ceiling shot and Sir John was taking all kinds of ridiculous shots off the back wall with his can of many wonders. The leaders in "bird training," on the other hand (either), are David Rosenberg and Fred Crowders.

Softball begins Monday (so hurry and get a team) with fourteen teams entered. Enough to get a great with great-green-gobs of ground-up gorilla gut. You don't have your spoon is that what's bothering you, buddy and slay? There are three leagues —Monday through Sunday but they only play on Monday, Wednesday, and Friday.

Swimming Owls Sink Texas Tech, Are Torpedoed by Aggies

The Rice swimming team tramped the Texas Tech swimming team March 4 with a score of 64 to 28. With only nine men swimming the attackers took a record nine firsts and broke four pool records.

Rice's Bob Leffingwell won three first places, the 220 yard free style, the 440 yard free style. He set a pool record in the 200 yard back stroke event with a time of 2:00.5. Bob Sick took first in the 50-yard fly, A1 Stevens, won his 200 yard medley relay event and Bob Leffingwell won the 440 free style.

In the 400 yard medley relay the Rice team of Stevens, Bill, Wardlaw, and Buell set another pool record in a time of 4:06.2. And finishing off the meet the Rice relay team of Buell, Meadows, Ray, and Stevens set a pool record in the 400 event with a time of 4:06.8.

Saturday the Rice swimmers were defeated by A & M in the last meet of the year, Art Adamson's team broke two pool records and went under the SWC time in the 200-yard butterfly event. Rice's top diver, Feis Cole, won with a score of 135, defeating Bobby Godfrey. Backstroker Al Stevens, won his 200 yard event and Bob Leffingwell with the 440 free style.

In the Freshman meet the Owls were also defeated, 40 to 37. Bob Sick took first in the 60-

The volleyball champs — hooray — now all together again between the walls champs grappled to a 4-0 record recently. The Blue (monday?) league with a 4-0 posted, or cord and he hopes you'll get this done soon as possible and what you don't give up that ship! Whew.

steel and Jennie Riddle, Phil
Nathan, Ann West, Carolyn Satterwhite and George Glover
and Mary Lacey and Joe Hawes.

The Cherry Blossom Festival
was celebrated on campus with
a variety of events, including
dances, picnics, and sports
competitions. The ICC provided
the music for the gala dance,
and the audience enjoyed the
performances of Al KiIller and
his orchestra.

The final decision was that the
intramural sports representatives will air the questions in College cabinet meetings and act in ac-
cordance with the wish of each
cabinet.

There are seven teams of
Badminton Doubles. In the Blue
team, Emily Jordan and Glenda Fuller, Mary Catherine Anderson and Nel Jennings, Diane Donnelly and Ann Kriegel. The Grey League studs: Judith Helm-
ner Thursday — March 18 at 4:15.

This has been a week of elections, more petitions, re-
cupation from exams, and
the biggest affair of the week was the Navy Bad
Saturday night at Sylvan beach.

Horden of Middlesex turned
out for the gala dance for which Al KiIller and his orches-
tro provided the music with
fill ins by a combo that pro-
vided welcome variety.

Sergeant-Major Miller's wife
received a gift from the Middlesex
— silver tipped, mahogany roll-
ing pin with a maroon emblem!

Among those who enjoyed
the dance were Marion Morrison &
Mike Lewis, Marilyn Thomas and
Charles Gasparri, Mary Anne Boote and Lee Greenberg, Louise
Lamar and Tom Cady, Jerry Re-
steel and Jennie Riddle, Phil
Nathan, Ann West, Carolyn Satterwhite and George Glover
and Mary Lacey and Joe Hawes.

Sports Car Club Revs Up Motors For Contest

The Sports Car Club is sponsoring a sports car rally this Sunday afternoon. Entrants are to meet on the Stadium parking lot near the Rice Bowl at 1 pm, where a short technical inspection of the cars will be held. Any student or faculty member may enter any type of car, and must have a navigator with him.

This event is not a race, but a test of ability in following instructions closely and obeying a predetermined average speed. A set of instructions will be handed out to each navigator at the start of the event. These instructions will include routes to be followed and average speed to maintain.

The purpose of the navigator is to read the instructions and tell the driver what to do, where to go, and what his average speed is (slide rules are permissible). Entry fees are $1.00 for all entrants. Trophies will be awarded to winners and it is emphasized that one need not have a sports car to enter and that experience is not necessary to win.

Graduate Wives Schedule Supper

The Graduate Wives’ Club of Rice will hold a Spaghetti Supper for married graduate students on Saturday, March 15, 6:00 pm at the home of Mr. and Mrs. J. C. Morehead, 554 Plessy Point. There will be a charge of 50 cents per couple. For further information, please call JA 8-4668.

CS Talk Set On ‘Healing Science’

The Christian Science organization at Rice is sponsoring a lecture by James Watt of Washington, D.C.

Mr. Watt will speak in the Fondren Library Lecture Lounge at 4 pm, Monday, March 17. His subject will be Christian Science: The Healing Science of Christ.

Former Manager of the Washington, D.C., Office of the Christian Science Committee on Publication, Mr. Watt has traveled widely.

During World War II, he served as Chaplain in the United States Army.

WHOSE ARE PRETTIER?—Lovely limbs compete with what may be more gruesome ones in the SL’s County Fair chorus line Friday. Owners of the attractive ones are Dianne Donnelly, Betsy Graham, and Judith Helmle. Owners of the others are Frank Driskill, Bill Brod, and Frank Bunt. (Thresher photo by Frank Van Orden)

Sticky’s

Don’t just stand there... STICKLE! MAKE $25

Stickers are simple riddles with two-word rhyming answers. Both words must have the same number of syllables. (No drawings, please!) We’ll shell out $25 for all we use— and for hundreds that never see print. So send stacks of ’em with your name, address, college and close to Happy-Joe-Lucky, Box 67A, Mount Vernon, New York.

WHAT IS AN UNHAPPY BIRD?

WHAT IS A MAN WHO DOESN’T PAY FOR PARKING?

NEAT FEAT! No! Stick Trick? A thousand times no! When a magician makes a pack of Luckies vanish, it’s a plain case of Tragic Magic! Connoisseurs claim there’s one approved way to make Luckies disappear. That’s to smoke (Yum!) every last one of ’em! That way, you get the wonderful taste of Luckies’ fine tobacco... light, good-tasting tobacco that’s toasted to taste even better. So, Ladens-um-Geenlemen, observe a pack of Luckies closely. Then carefully remove one (1) cigarette and light up. Presto! You’re puffing on the best-tasting cigarette you ever smoked!

WHAT IS A GANGSTER’S MANUAL?

WHAT IS AN ODD-SHAPED EYEGLASS?

WHAT IS A HAMMER HEAD?

WHAT IS A HAMMER HEAD?

WHAT IS THE SLEIGHT-OF-HAND THAT MAKES A PACK OF LUCKIES VANISH?

COUNTY FAIR...
(Continued from Page 1) In which valuable prizes are to be given away. In last year’s raffle, no less than eight dinners for two at the College Inn were given away, along with other prizes such as a clock-radio and a flash camera.

A fortune teller will also be present along with other, rarer, and games.

But the best feature of all is that there is no admission fee.

The SL’s firmly believe that once a prospective customer has seen the lavish decorations and the exciting games, he will waste no time in spending his money.

ICC... (Continued from Page 7)

Rice, who said, “Who cares, why don’t we leave that up to the editors?”

A college bicycle race was announced for the weekend of the Rondelet picnic. Girls will be welcomed as spectators, but not as participants.

The question of beer for the weekend will be decided by the Administration.
