Dream of William Marsh Rice Who Was Killed by Albert T. Patrick Comes True, and the Richest Educational Institution of the South Will Open Its Doors Next Fall Through the Wealth He Left.

W HEN William Marsh Rice, the founder of Rice University, was murdered, a plot to take over the university and the estate was designed. The trustees were to be arrested for murder, and the estate was to be sold. However, the murder was never solved, and the estate remained intact.

William Marsh Rice, from a Painting Made for the New Institute.
