HOUSTON LODGE

CHINESE AMERICAN CITIZENS ALLIANCE

6800 SOUTH MAIN STREET

HOUSTON, TEXAS

FIRST DRAFT

On November 7, 1953, all of Houston and its surroundings looked with admiration upon the Chinese-Americans of her county as they celebrated the beginning of the CACA Houston Lodge. The enthusiasm of each and everyone of you was the envy of all other organizations. Now the first phase of "something new" has passed, and the CACA is now entering the "Growing Pains" period; however, once out of this phase, the CACA will be an established organization with a solid base. The appeal is for your support and help to the Houston Lodge through this critical period. Your task is simple.

After a series of conferences with our Ticket Chairman, Richard Lee, it is seen that the sale of picnic tickets are lagging. Let's remember the purpose of this picnic. The CACA is not simply a social but a service organization for you; however, our progress is hampered by the lack of permanent Lodge quarters. The money obtained from the sale of these tickets will be put entirely to the Lodge Building Fund. It can be done only if each Fraternal Brother does his part in making this picnic a grand affair. Houston will recognize once again the ability of a CACA member, if this project is a success. The Lodge needs your loyalty and cooperation in all meetings and Committees.
