

Miss M. A. Jenkins

Lancaster June 10 1844

My dear Miss Perkins I have received
all your letters which you wish
yesterday the 9th inst. and I am very
sensible of your kindest wishes and
so anxiously, and good counsel.

I did not write to answer you for
receipt of your letter: because you did
not express the word that I should do so;
to clearly tell you what this cost.
Believe me ever yours most faithfully
Wm Lloyd Garrison
