ANNOUNCEMENTS AND AWARDS

During the current academic year the Trustees have received several gifts of academic interest which I have the pleasure of announcing on this occasion:

THE GAVIN HAMILTON LIBRARY

Mrs. Gavin Hamilton of Houston has donated to the Rice Institute the library of her husband, the late Dr. Gavin Hamilton. The library consists of about five hundred publications representing Dr. Hamilton's professional interests in anatomy, physiology, and surgery. With the collection Mrs. Hamilton has given several volumes of general and local interest.

PUBLIC LECTURES IN MEMORY OF THE LATE DR. STOCKTON AXSON

Donors who wish to remain anonymous have made provision for the early delivery of three public lectures at the Rice Institute as a memorial to the late Professor Axson. These lectures will be delivered in the course of the next twelve months at the convenience of a distinguished American scholar who has accepted the appointment.

MATHEMATICAL WORKS FOR THE RICE LIBRARY

Miss Christine O. Schultz, a graduate of the Rice Institute and teacher of mathematics in the public schools of Houston, has given the sum of one hundred dollars to be used for
additions to the collection of rare books on mathematical subjects in the Rice Institute Library.

SPANISH BOOKS FOR THE RICE LIBRARY

The Spanish Club of the Rice Institute of 1942 has given the sum of seventy-five dollars for investment in United States War Bonds which at their maturity are to be used for the purchase of additional books in the Spanish language for the Rice Institute Library.

GIFTS TO STUDENT LOAN FUND

Since 1915 there has been built up through individual gifts a small student loan fund administered by the Bursar of the Institute through the President's Office. During the current academic year an anonymous donor has given $2500 to this loan fund, and Mr. Charles E. Merrill of New York has donated to the same fund the sum of $300.

We gratefully acknowledge all these gifts, thank God, and take courage.

I now have the privilege of announcing the awards of scholarships for the coming academic year, and in the order of the founding of the several scholarships and awards:

Due to world conditions which affect the purposes for which they were established, no awards have been made under the Traveling Fellowship in Architecture or the Mary Alice Elliott Loan Fund.
The awards of the two James A. Baker and Alice Graham Baker Graduate Fellowships, of the Catharine Withers Roper and Benjamin E. Roper Graduate Fellowship, and of the Walter B. Sharp Fellowship have been deferred.

Throughout its history the Institute has maintained from its own funds a number of fellowships and assistantships in various departments. The announcement of these appointments will as usual be carried in the current catalogue.
