MAR LODGE,
BRAEMAR.
N.B.

My dear Hull (aunt)

The enclosed speaks for
itself. I know Miss

Malie Conti as a good
letter writer, but have seen

little of her acting -

she played a summer

piece in "Paris & F"

credibly. I am getting

on gently with my study
of Orem. I have the
words of the fourth act
now. If there is time,
I wish you would give
me part of that spent
after the song. Page
382 in the novel. He is
nearer the one now the
other than, but only a

regard same like number
to it. Kind remembrance

Yours truly
Lionel Atwood.
