FROGNAL GARDENS,  
HAMPSTEAD. N.W.

July 27/54

My dear Hall Game,

I hope you are satisfied  
with the Resolutions of our Council -  
It was really dictated by the  
combined opinions of nearly every body  
The article in the Times was written under  
the old ~~old~~ idea that publishers buy  
works - They very seldom do so, -  
You know - They admission is  
joint property - That is what we have  
got to preach & to teach

Very sincerely  
yours  
Walter Stewart
