Dear Dr. Hall Gammie,
Let me thank
you for your letter
which I received
yesterday and read
to the Managers at

this meeting in the
afternoon. Much
satisfaction was
expressed at the
announcement that
you are able to
lecture to us - and
a very general
preference was given
to the second -

subject which you
suggested - viz. - "The
little manuscript".
In fact you were
booked for that
subject at once.
Both subjects are
very attractive
but the second -
treated in the manner

your papers will appeal
to a variety of
interests, and has
the advantage of
being identified
with one of your
popular & indispensable
books. I enclose a
proof of our letter last
of the evening session
Yours most faithfully
James Buchanan
