

Hayton Viarage, Carlisle

4 Feb. 1882

My dear Mr. Hall Caine,

I was much concerned to see yesterday a notification of Proffetti's being ill - in one of the newspapers. You were mentioned to me that he was ill: but I hoped it had passed long ago - could you kindly drop me a line to say how he is?

I have been looking out for the announcement of your Book of Sonnets. Yours very truly
R. W. Dixon
