6 Sept 1890

Dear Sir,

If you are not engaged
already - would you entertain
our proposal that you should
write one of the serials for
'Good Words' during 1892?

We find it necessary in
these days to "take time by the
forelock".

Further arrangements can
be discussed after you are able

to assume me that you are open
to employment.

Believe me, my dear Sir,

Yours faithfully
