During the past six or seven years

I have received various telegrams, letters, &
personal messages from the sister of the late
Countess, asking me to be at the door of the
kindness to or paper. It never occurs to me
that I was at liberty to make such communications
until once per annum because of me.

There must be

a certain
point

mentioned

which I (as
you see)

That is, I believe,

Sincerely,

Mrs. Caine

With kind regards
