My Dear Caine,

This is only to wish you
a repetition of the Albany success
on which I ~~and~~ the other members
of the little dinner-party cordially
congratulate you. We would like
to come to the first night, but

we can't, as we have a wedding,
but on the next night Tuesday
after my lecture ^(when I hope to see you) - if we can

have a large box - ~~Frederic~~ ^{Frederic} Sulzberger
& his brother will be with us, & another
couple, & we should all be glad
if you would sup with us after the
play. With kind regards &
best wishes to Miss Viola Allen,
Yours sincerely
Targuill
