My dear Rosette
I have secured
the services of a nurse who appears
to me most fitting - I saw John
Marshall yesterday, who told me
he could not find one that he
thought would suit you, and
he gave me the address of
the Nursing Institution, Covent
Garden - ~~Heaven~~ She will
be with you ~~by~~ this evening,
and I will come before her
as early as I can - This

Note I send, by messenger
post haste, that your mind
may have ease as quickly
as possible

Ever affectionately yours
